Description & Purpose:

PTI would like to introduce the lead frame material C151 as an additional choice for PLCC44 package. This change will not affect product's form, fit, function and reliability. The detailed change is as following:

ITEM	Existing	Add
Lead Frame material	ASM C194	ASM C151

PTI reserves the right to ship either version manufactured after the change effective date until the inventory on the earlier version has been depleted.

PTI Approval:

Quality Manager:

LI HUA
