

Master Class Workshop  
**SITI COMPANY**

**25 SPOTS ONLY!**

**WHAT**

**The Suzuki Method** is a rigorous physical and vocal discipline which strives to restore the wholeness of the body as a tool of theatrical expression. Attention is on the lower body and a vocabulary of footwork, sharpening the actor's breath control, concentration and commitment to each moment.

**WHEN**

**AUG 17th—21st**, Monday - Friday  
 Beg/Interm Suzuki: 9:30 - 11:20  
 Beg/Interm Viewpoints: 11:35 - 1:25

**WHERE**

**Danny Peterson Theatre** at Boise State University  
 2201 Cesar Chavez Lane, Boise, ID, 83725

**TUITION**

**The Viewpoints** is a technique of improvisation that breaks down the two dominant issues performers deal with - time and space. Using the Viewpoints allows a group of actors to function together spontaneously and intuitively and to generate bold, theatrical work. It develops flexibility, strength and articulation in movement while quickly making ensemble interaction possible.

SITI Company is an ensemble-based theater company whose three ongoing components are the creation of new work, the training of young theater artists, and a commitment to international collaboration. SITI was founded in 1992 by Anne Bogart and Tadashi Suzuki to redefine and revitalize contemporary theater in the United States through an emphasis on international cultural exchange and collaboration. The Company is known nationally and internationally as a top-level artistic collective that generates groundbreaking theater while training artists from around the world.
