**Total number of specimens** \_\_\_\_\_

| Fish/Lot # | Species | Age (months) | # Fish (in population) | # Fish (submitted for testing) | Other Identification (Sex, ID#, Pond, Tank, etc.) |
|------------|---------|--------------|------------------------|--------------------------------|---|
|            |         |              |                        |                                |   |
|            |         |              |                        |                                |   |
|            |         |              |                        |                                |   |
|            |         |              |                        |                                |   |
|            |         |              |                        |                                |   |

The ADRDL is an accredited AAVLD laboratory and a member of the USDA National Animal Health Laboratory Network. Completing and submitting any submission form or any other means of requesting services creates a contractual agreement for services requested and the specimens submitted become the property of the ADRDL. In addition, at no additional expense to our clients, specimens submitted to the ADRDL may be subjected to additional testing upon the order of state or federal animal health officials, or whenever a Foreign Animal Disease is suspected, or in support of surveillance for other animal diseases.
