I, \_\_\_\_\_,   
Name: First - Middle initial - Last  
being duly sworn, state that:

1. I own and currently occupy as my principal dwelling the stand-alone, single-family residence located at the legal address stated on this application.
2. This house is not being prepared for sale, and is not used as a rental property.
3. I will install and connect the Electrical Wiring for myself, without any compensation or pay to or from any other person.
4. I have sufficient knowledge of the Lincoln Electrical Code requirements as stated in Chapter 23.10.160 of the Lincoln Municipal Code, to satisfactorily complete the project.
5. I will call the Department of Building and Safety's Homeowner's Inspection line **(402-441-8384)** before 12:00 noon to schedule all required inspections for the **next business day**. I will include all of the following information:
  - a. Legal address of property
  - b. Permit #
  - c. Access instructions (If necessary, contact an inspector between **7:30 a.m. and 8:45 a.m.** with any special instructions.)
  - d. Type of Inspection you are requesting (rough-in or final)
6. I am aware the electrical permit is valid for a period of **90 days**, unless I request an extension.
7. I am aware that falsifying any of the above statements, or not providing accurate and factual information shall be sufficient grounds to void a permit already issued, or to refuse the issuance of an electrical permit to a non-licensed applicant.
8. I am aware there is a \$35 fee for each reinspection required because of non-compliance with the Lincoln Electrical Code or if work is not complete at the time inspection is called for.
9. I have read, understood, and agree to comply with Section 23.10.160 of the Lincoln Electrical Code.
