

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA00194BO

This Certificate issued to Aircraft Components, Incorporated
1040 Harbor Lake Drive
Safety Harbor, FL 34695

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number: See attached FAA Approved Model List (AML), Document No. 2042-AML, Rev 0, or later FAA approved revision for the list of approved airplane model, applicable installation data requirements and specific limitations
Make:
Model:

Description of Type Design Change:

Installation of P/N 2042 Landing Gear Warning System for amphibian aircraft in accordance with the Aircraft Components, Incorporated Master Document List referenced on the attached AML, or later FAA-approved revision.

Limitations and Conditions:

1. The applicable Airplane Flight Manual Supplement, referenced on the attached AML, or later FAA-approved revision, is required and must be carried in the aircraft during all flights.
2. The applicable Instructions for Continued Airworthiness (ICA), referenced on the attached AML, or later FAA-accepted revision shall be made available to the operator at the time of installation.
3. The installer must determine compatibility of this design with previously approved modifications.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 21, 2001

Date reissued:

Date of issuance: March 1, 2004

Date amended: July 21, 2005

By direction of the Administrator
