Welcome

Maple Leaf Meadows International (MLM) is an equestrian facility located in Edmonton, Alberta and is committed to training riders of all ages and abilities in the areas of horsemanship, horse husbandry skills and horseback riding. We also have a strong focus on organizing schooling level horse shows for all levels to provide a venue for tomorrow's top riders and horses to learn and grow. Our shows are also constantly growing and changing to accommodate the needs of our guests and competitors.

We aim to provide:

- **Fun**, for riders that are just looking for a fun weekend of riding and socializing with other horse people, without any pressure,
- **Education**, for new riders and young horses that are looking to gain experience in the show ring without being rushed and where coaches are encouraged to help their riders complete rounds on a positive note, and
- **Affordability**, to make horse competition accessible to everyone.

Our facility offers 2 indoor rings and a large outdoor arena which can be split into 2 separate rings, as well as a full kitchen and clean washrooms. Our footings are well maintained sand, except for the main indoor arena which is a rubber/sand mix. Trailer, spectator and RV parking is offered on grass just off the main driveway. Stabling is always available in our guest barn, or main barn if required.

We have a large group of volunteers and sponsors who deserve special mention for their support throughout the year in order to help us offer you the best possible event.

Welcome to Maple Leaf Meadows, and Good Luck!
