

Grainger Account Sign-Up: Contract Participation Form

All National IPA Participating Public Agencies must affiliate with National IPA by (i) providing requested information at <http://www.nationalipa.org/participate.html> and (ii) completion of this on-line Grainger Contract Participation Form ("Contract Participation Form").

This Contract Participation Form is required by Grainger to ensure that Participating Public Agencies receive all of the benefits of Master Agreement #141003 as executed by and between the City of Tucson and Grainger ("MRO Contract"). The process is easy and can be completed in a few minutes. Simply complete the requested information below and submit the request.

Your National IPA Participating Public Agency ("You") acknowledges that You may elect to participate in only one (1) Grainger catalog-wide agreement at any given time, and hereby agree to purchase MRO equipment and supplies in accordance with the MRO Contract. You further understand that this Contract Participation Form and the above referenced MRO Contract supersede all previous declarations for the purchase of product from Grainger.

You further understand that Your enrollment will remain in effect during the MRO Contract term, including any Contract extensions, unless earlier terminated pursuant to the MRO Contract.

By submitting this Contract Participation Form, You are requesting that all of Your accounts be enrolled in the MRO Contract and, upon Grainger's receipt and processing of this Contract Participation Form, Grainger will enroll all of Your accounts in the MRO Contract.

Processing this form will take 4 to 7 business days.

If you have any questions about this Contract Participation Form or the MRO Contract, please contact your local Grainger Account Manager.
