

# Dependent Adult Abuse for Mandatory Reporters 2012

This course will help you be better prepared to identify and report suspected dependent adult abuse and it is a required course for mandatory reporters. The curriculum is approved by the Abuse Education Review Panel.

## **Objectives:**

- Define the meaning of dependent adult abuse as defined in the Iowa Code Section 235B.2(5) and 235E
- Identify the types of dependent adult abuse
- Describe the physical, psychological, behavioral, environmental, and other relevant indicators of dependent adult abuse
- Review the requirements and procedures for reporting suspected cases of abuse
- Review the classifications of mandatory reporters, confidentiality provisions, immunity provisions and penalties for failure to report as described in the Code of Iowa and the Iowa Administrative Code
- Describe the assessment protocol utilized by the Department of Human Services and other investigating agencies following a receipt of a report and the manner in which information is shared between the Department of Human Services and the reporter, other relevant individuals, agencies and entities
- Discuss resources that are available related to the causes and risk factors of dependent adult abuse, related to assisting individuals and families who have experienced dependent adult abuse and local referral services, and related to the prevention of dependent adult abuse

**Audience:** Anyone who in the course of employment, examines, attends, counsels or treats a dependent adult.

**Presenter:** Douglas Shepard, LBSW, Elder Abuse Intervention Program Coordinator

**Sponsor:** Iowa Valley Continuing Education
