The O.B. McClinton Foundation

The O.B. McClinton Community Center Foundation was founded in April 2011 as a non-profit charitable organization. Our inspiration was Tate County’s “favorite son” and Country Music Marker Recipient, O.B. McClinton. The founder and sister, Cloteal Fitzpatrick, began the Foundation with a four week Project Based Summer Enrichment Program in June 2011. This effort has expanded to after school tutoring, Saturday Arts and Crafts Workshops, and Community Outreach to Senior Citizens.

O.B. McClinton Foundation

The O.B. McClinton Community Center Foundation is a Non-Profit Organization that promotes awareness in the community about education and the importance of giving our children and adults the available resources to become successful.

Our mission is to enhance the quality of life in the Gravel Springs/Springfield Community by providing educational, cultural, and recreational programs ranging from Early Childhood to Senior Citizens.

Community Outreach

Ultimate Goal

The ultimate goal of the O.B. McClinton Community Center Foundation is to build a community center that will facilitate the expansion and growth of the Foundation's programs. Currently the center's activities and classes are held at the founder's art studio. In order to effectively provide year-round Community wide programs, a much larger facility is needed and necessary.

One person can make a difference. It takes only a vision, determination, faith, and hard work. Our director has that vision, the drive and the determination to see The O.B. McClinton Community Center flourish into reality. "A Center is vital to this community." The Summer Enrichment Programs, after school tutoring and the outreach to the Senatobia Convalescent Center is only the beginning.
