

The American Diabetes Association

and

The Connecticut Alliance of Diabetes Educators

**Present the
44th Annual Symposium on Diabetes
For
The Health Care Professional**

7:30 AM – 3:30 PM
Wednesday, November 6, 2013
Crowne Plaza Hotel
100 Berlin Road
Cromwell, Connecticut

Target Audience: This one-day symposium on diabetes is designed for nurses, dietitians, and other health professionals. Teaching/learning strategies at this activity include lectures, slides, question and answer interaction and handouts.

Learning Objectives

By attending this course, the participant should be able to:

- List ways to optimize glycemic control of in-patients with diabetes.
- Describe how the Affordable Care Act will impact your practice.
- Describe mindful eating as a guide for helping clients develop a healthy relationship with food choices and eating habits.
- Identify the mechanism of cognitive loss in types of diabetes which impact function abilities.
- Apply information from case studies to individualize your treatment plan.

Accreditation Statements

Nurses: The American Diabetes Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's COA.

California Board of Registered Nursing: The American Diabetes Association is also a provider approved by the California Board of Registered Nursing, Provider No. CEP-1296. This activity is approved for 5.5 contact hours.

Pharmacists: The American Diabetes Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE Provider number 0239. The American Diabetes Association designates these sessions as knowledge-based per ACPE guidelines. To view the UAN's and learning objectives for each session, please visit <http://professional.diabetes.org/ashcp> and click "Continuing Education for Pharmacists."

Dietitians: The American Diabetes Association is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 5.5 continuing professional education units (CPEUs) for completion of this program/material.

Certified Diabetes Educators: To satisfy the requirement for renewal of certification by continuing education for the National Certification Board for Diabetes Educators (NCBDE), continuing education activities must be diabetes related and approved by a provider on the NCBDE List of Approved Providers (www.ncbde.org). NCBDE does not approve continuing education. The American Diabetes Association is on the NCBDE List of Approved Providers.

Successful Completion Statement: Certificates of Completion/Attendance are provided to registered attendees based upon completion of the online evaluation available through November 20, 2013 at <http://professional.diabetes.org/ashcp>. For questions regarding continuing education, email professionaleducation@diabetes.org.
