

American Diabetes Association

“Recent Advances in Diabetes Management: Harnessing Technology”

11:30 AM – 4:30 PM

Saturday, November 1, 2008

University of Hawaii

John A. Burns School of Medicine

651 Ilalo Street

Honolulu, Hawaii 96813

Target Audience: This symposium is designed for physicians, primary care practitioners, endocrinologists, pediatricians, nurses, dietitians, pharmacists, certified diabetes educators, and other health professionals with an interest in obesity and diabetes.

Learning Objectives

By attending this course, the participant should be able to:

- Provide a review of the new technological and pharmacological advances in diabetes management.
- Discuss the application of information technology to diabetes management.
- Discuss how technologies can be used to improve patient care.
- Explain how adoption of these new technologies into the management of diabetes in Hawaii.

Accreditation Statements

Physicians: The American Diabetes Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The American Diabetes Association designates this education activity for a maximum of 3.5 AMA PRA Category 1 credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Doctors of Osteopathy: Category 2 credit will be awarded for formal educational programs that are ACCME-accredited or AAFP-approved.

International Physicians: The American Medical Association has determined that physicians not licensed in the US who participate in this CME activity are eligible for AMA PRA Category 1 credit[™].

Physician Assistants: AAPA accepts Category I credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 CME credit for the organizations accredited by ACCME. ADA is an accredited provider through the ACCME.

Nurses: The American Diabetes Association is approved as a provider of continuing education in nursing by the Virginia Nurses Association (VNA) which is accredited as an approver of continuing education in nursing by the American Nurses' Credentialing Center's Commission on Accreditation. The American Diabetes Association is located at 1701 North Beauregard Street, Alexandria, VA 22311. VNA Provider Number: 07-03-02. This educational activity is approved by the Virginia Nurses Association (VNA) which is accredited by the American Nurses Credentialing Center's Commission on Accreditation as an approver of Continuing Education in Nursing for a maximum of 3.5 VNA Contact Hours. The VNA is located at 7113 Three Chopt Road, Suite 204, Richmond, VA 23226.

California Board of Registered Nursing: The American Diabetes Association is also a provider approved by the California Board of Registered Nursing, Provider No. CEP-12196. This activity is approved for 3.5 contact hours.

Dietitians: The American Diabetes Association is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 3.5 continuing professional education units (CPEUs) for completion of this program/material.

Pharmacists: The American Diabetes Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity provides 3.5 contact hours of continuing pharmacy education credit. The ACPE UPN is 239-000-08-008-L01-P. Each pharmacist should claim only those hours of credit that he/she spent in the education activity.

Certified Diabetes Educators: To satisfy the requirement for renewal of certification by continuing education for the National Certification Board for Diabetes Educators (NCBDE), continuing education activities must be diabetes related and approved by a provider on the NCBDE List of Approved Providers (www.ncbde.org). NCBDE does not approve continuing education. The American Diabetes Association is on the NCBDE List of Approved Providers.

Successful Completion Statement: The Association follows the “Honor System” to verify attendance at its professional education activities. An attendance verification form is completed by each participant at the end of the activity or when the participant leaves the activity. Participants provide name, address, and number of hours spent in the educational activity. Participants are expected to claim only those hours spent in the educational activities approved for continuing education credit. Certificates of completion/attendance are provided to registered attendees based upon this information and are available at the registration area upon completion of the program.
