Dear Parent/Carer,

Parent Consultations

A letter is attached with details of parent consultations which will take place on Monday 10th November from 4-7pm and on Wednesday 12th November from 3.30-6pm. Please complete and return the slip to your child's teacher, indicating your preferred appointment slot, by Thursday 23rd October 2014.

If your child is in Year 5 and you are considering whether they will sit the grammar school test in 2015 please drop in and see Mrs Houlston, Year 5 and 6 Assistant Headteacher, before or after your appointment. Her office is located next to the new staff room.

Staff Car Park/Pupil Access via Oswald Close

Unfortunately the opening of our new staff car park and pupil access has been delayed however we are close to being able to use these facilities. During next week we will move staff car parking to the other end of the site. Once this is working and final changes have been made, over half term, we should be able to open the access to site as well. Further details will follow in this newsletter before the gates are opened. We want to stagger the change to ensure everything works smoothly and our neighbours are given careful consideration as we implement the changes.

Please be aware the staff car park is only for staff cars and will not provide space for any parental parking. The new car park is to provide space for the next phase of building work and not to provide more drop off space. We continue to encourage all parents to park and walk the last part of the journey to school. This reduces congestion and the risk to our children. Please consider child safety and ensure trips onto site are kept to a minimum. Please remember we have an agreement with Redhill Park that allows parents to park in the car park there - please use this facility or other local parking if at all possible.

Found - School Uniform

A number of items of uniform (brand new and still in the packaging), have been found close to the school recently and handed in to the school office. If you think these items may belong to you please contact the school office.
