Part 7 – Payment directly into an account

We normally make payment direct into an account

You can use a bank, building society or other account provider. Many banks and building societies will let you collect cash at the post office.

How we will pay you

If you were an officer, we can pay your pension every month or every quarter in arrears. If you were not an officer we can pay your pension every 4 weeks (3 weeks in arrears, 1 week in advance), every 13 weeks (12 weeks in arrears, 1 week in advance) or every week. For payments overseas, all periods are paid in arrears.

We will tell you when the first payment will be made and how much it is for. Each payment, after the first one, should be for the same amount unless there is a change in your circumstances. We will tell you whenever we know there is going to be a change in the amount we pay into your account.

Finding out how much is paid into your account

You can check your payments on your accounts statements. The statements may show your National Insurance (NI) number next to payments that are from us. If you think your payment is wrong, get in touch with us straight away.

If not enough money is paid into your account

If we do not pay enough money into the account, we will make another payment or add the money we owe you onto your next payment. We will contact you to tell you what we are going to do.

If we pay you too much money

We have the right to recover any money paid to you which you are not entitled to. This may be because of the way the direct payment system works. For example, you may give us information which means you are entitled to less money but we may not be able to change the amount we have already sent out. If this happens, we will contact you before we recover any money.

Part 7 – Payment directly into an account continued

What to do now

- Tell us about the account you want to use. By giving your account details you are agreeing to be paid by Direct Payment and understand the information on this page about being overpaid.
- If you do not yet have an account but intend to open one, please give us your account details as soon as you have them, in the meantime return the completed form to us.
- If you do not have an account, please contact us and we will give you more information.

Part 7a About the account you want to use.

Please tell us your account details below. It is very important you complete ALL boxes correctly including the building society roll or reference number if you have one. If you tell us the wrong account details your payment may be delayed or you may lose money.
