Dear _____,

On **Saturday, October 25, 2014**, St. Andrew's Episcopal School will host our fall festival fundraiser at our school. Last year, we were delighted with the support and attendance for our first "Pumpkin Palooza" and we look forward to this year's event. The proceeds from the event will support the school's academic and resource programming.

St. Andrew's has served the community for over 67 years and serves children from Pre-Kindergarten-3 through 5th grade. Students have come from the communities of Newport News, Hampton, Isle of Wight, Suffolk, Williamsburg and York County. We are a member of the Virginia Association of Independent Schools, the National Association of Independent Schools, and the National Association of Episcopal Schools.

We hope that our festive and cheerful "Pumpkin Palooza" will become a favorite tradition for families in our community. We invite you to become part of our success by considering a business sponsorship. Sponsors will be acknowledged on our event brochure, on our website, in our weekly newsletter, and will be displayed on a banner during our event.

Please feel free to contact me with any additional questions. Thank you very much for your time and consideration.

Sincerely,

Lindsay Creekmur
