# Storytelling and Strings

Thanks to a generous grant from the SPX Home and School Association, the SPX Library will offer a **FREE** workshop by David Titus for our students and their families. Please mark your calendars for **Wednesday, April 5, 2016**, and join us for a fun and educational opportunity for SPX families to support learning and share quality time together as a community!

David Titus is a professional storyteller, author and missionary. He creates string figures (i.e. Cat's Cradle, Jacob's Ladder, etc.) to illustrate his stories. He has travelled extensively around the world collecting stories, new string figures and spreading the message of the Gospel.

\* Throughout the school day, K-8 students will meet with David in groups to hear stories and learn some string figures. Those students will each receive a free string for hands-on practice during the workshop and to learn new figures on their own.

\* David will return in the evening for a family presentation in the Parish Hall, beginning at 6:30 PM.

**Look for more details to come and we hope to see you there!**
