RAW MATERIAL INFORMATION PAGE

Plant name

1. List all raw materials in the facility (including release agents, processing aids, antifoams etc.) even if not intended for kosher use.
2. Identify with an asterisk (*) any ingredients intended for use exclusively in products that you do not wish to certify.
3. **Submit a Letter of Kosher certification and clearly identify the exact ingredient being used. If you submit via fax, do not highlight. Where no Letter of Certification is available, supply a process flow diagram. Both the ingredient name and source name must match the Letter of Certification.**

Definitions:

RMC#: List the raw material code, if any, that plant uses internally.

INGREDIENT NAME: Give the name exactly as it appears on the label. Include all flavor and product code numbers

SOURCE: Give the manufacturing source exactly as it appears on label. Do not list distributor or broker unless it appears on label. Include all Plant #'s/USDA#'s or other regulatory, plant mfg. Codes, where applicable

BRAND NAME: List Brand Name exactly as it appears on the label.

BULK: Indicate if ingredient is received in tankers, rail cars, trailers or containers that are not normally refilled.

CERTIFYING AGENCY: Indicate the Kosher certifying agency that certifies this ingredient.
