

June 2014

Commodore Scott Randle

Hard to believe it's that time of year already. School is out, summer is here, and it is time to host sailing school. Please if you have time please contact Sean Randle about helping. This school is a great way to show case the club and sailing to people in the community. That said the school only works if members of the club show up to help. I know that the parents are required to be there but it still takes people familiar with the club and our boats to make this sailing school a success. If you are able to help please, contact Sean Randle at Jsrandle@charter.net, thank you.

When I was up at the club on Wednesday there where Holder Hawk parts left on the dock. These parts where sitting not more than six inches from the edge of the dock. Only those people that have leased boats should be using them and please make sure all the boat parts are put away after using them. Holder hawk parts are expensive and hard to find.

This Saturday is also the last work party before sailing school. There is a lot of work that Frank needs done so we will be ready to host the sailing school so please show up to help prepare that club for all the families that will show up in a week and half.

Please check the revised schedule for you duties. We have had many no shows this year. I know it can be a little confusing but it is still each member's responsibility to make sure they cover their duties. I have printed up the new schedule and placed it on my desk so I do not miss any duties. Please review the revised duty chart. Thank you.

We have a few people heading up to San Juan 21 nationals in the Seattle area. Good luck on the water and represent the club well.

This year the club will be hosting the Geary-18 internationals during the week of July 16-20. We expect people to start showing up the Monday of the 14th. We need trailers for some of the guests that are traveling a long distance. We will also need volunteers to run safety boat and race committee. Through o out the week, there will also be many other opportunities' to help. If you have some time, we could please use the help. If you want to help and are unsure of how to do something, we will train you. So please contact Sean Randle at (541) 404-1298 OR Jsrandle@charter.net. Thank you.

I would like to say that I am excited to see all the new boats on the docks. I don't recognize a lot of them which I hope to change soon. If you have a boat please come join us for a race. If you just want to crew for somebody or need a crew please contact Scott Randle at 541-404-7115 and I will help you. I look forward to seeing you on the race course.

Board & Committee Notes

Board Meeting on June 4, 2014

Official Board minutes and complete treasurer's report are posted in the clubhouse. Yacht Yak committee information is gathered at Board meeting and directly from Chairs.

Infrastructure Committees

GROUNDS: (Tom Kyle) **TICK ALERT!!!** They seem to be everywhere in great numbers.

WORK PARTY: (Frank Burger) Frank thanked Kelly Northcutt for leading the May 17th work party. Frank will send an email with details on the June 14th work party. Areas needing work include sweeping the road debris, dock maintenance, and general landscape maintenance.

Racing Committees

JUNIOR SAILING: (Tammy Northcutt) Boat Lease Information: CBYC Jr Sailing Program leases Holder Hawks and Lasers. The deposit is \$50.00 and the boat lease is \$50.00. If you are interested in leasing a boat please contact Tammy Northcutt at 547-260-2273.

Several donations to the Junior program have been received. A Sunfish has been purchased to add to the junior fleet.

RACE: (Shannon Randle) Racing has begun and everyone is encouraged to join. Wednesday night Sundowners have had nice, steady winds.

SAFETY BOAT: (George Tinker) Be aware that the bilge pump is not working properly. Safety boat users are to wear life jackets and have a maximum of three people in the boat so there is room to save three people.

All members are required to have their Oregon Boaters Card. For class information, please call George Tinker, 541-267-6152, gtinker@frontier.com

MEMORIAL DAY FUN REGATTA: (Kridelbaugh) Twelve boats sailed in good winds followed by a BBQ. See article from Steve and photos by Gordon Gates.

LABOR DAY REGATTA: (Ken Labrousse) The Club needs you to volunteer for your favorite task during the regatta. New members are encouraged to join a committee. Ken has starting ramping-up this project.

Other Committees

OAC (Richard Rudder): Site holders are reminded that May 1st was the deadline to have tarps off trailers and sites cleaned up.

SAFETY: (George Tinker) Signs about toxic algae have been posted. The Club will be inspected by the Clean Marina program in May.

SOCIAL: (Jessica Randle) The Fiesta on May 24th was well attended and a big success.

Scott is planning several fun 4th of July activities – more details to come via email. The local fireworks schedule:

The Mill – July 3rd
Coos Bay – July 4th
Lakeside – July 5th

Old/New Business

SCHEDULES: **Update your calendars** -- the activities and duty assignments have been updated. These schedules replace the yearbook version. See website for copy.

NEW RESTROOMS: Permits have been approved for the new restrooms at the Point. Scott will stake out the footprint of the building. Building will begin later this summer.

Scuttlebutt

CBYC GOLFERS: We started the CBYC golf night Thursday, June 5th at 5:30 at the Forest Hills course in Reedsport. It is a 4-person 9-hole scramble format and throughout the summer we hope to play at different local courses. Come join in the fun and play some golf too. It is a great opportunity to enjoy a fun evening outside with friends.

Memorial Day Regatta – Sunday, May 25, 2014

What a wonderful relief for sailors on Memorial Day: the weather broke about 10:00 AM and the sun came out. By noon it was actually getting a little toasty at the point and 12 hardy sailors and their crew attended the Grand Captains meeting at the point. The Captain's meeting was somewhat subdued after the marathon Cinco-de-Mayo Party that was held the evening before. You know the celebrants were serious about their Cinco-de-Mayo party since Cinco-de-Mayo was actually 20 days before their party on the 5th of May. The celebrants had a long wait for the party, but it did not diminish their enthusiasm or joy for the Mexican holiday. In fact a couple of the sailors looked sad and dejected at the Captain's the following morning before the race.

After an elaborate discussion of how the regatta would be conducted and since the wind was already up the first of three races started at about 12:40 PM. It was a short course in the hopes that three races could be conducted. On the second race a long course was laid out, but 30 minutes into the race the wind died and the course shortened, but it was still a 60 minute race. The third race was another short race that lasted approximately 40 minutes. The boats and crews came off of the water with four hours of sailing at 4:30 PM in order to furl the sails and get ready for the potluck and awards at 6:00 PM.

The sailing was fun, but never threatening or fear-inducing. Although some choice words were heard up at the point when some poor, unfortunate, sailor found him/her self in a self-induced wind hole and going no where – fast. At the end of the sailing day there were no complaints heard on or off the docks. It was a fun day at the club.

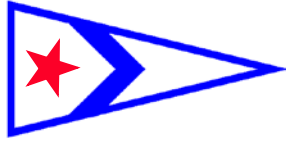

The potluck and awards ceremony was well attended with good food (everyone said that the potato salad was outstanding), good cheer, and good company. The results of the 2014 Memorial Day Regatta are as shown.

After the race results were announced and analyzed by all present, members of the San Juan fleet in attendance were elated to hear that Jim and Brit Gastrich were joining our fleet.

Coos Bay Yacht Club Junior Sailing School

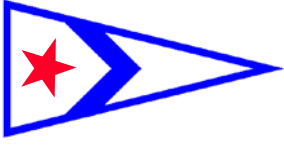

June 24-28 2014
For Youths 10 - 18 Years Old

We will be teaching boating and basic water safety, care and rigging of small sailboats, sailing techniques, beginning racing techniques, and basic rules. An end of school race will be held on Saturday, June 28th. Classes are held daily 9:00 AM - 4:30 PM. The Saturday, June 28th race will start at 11:00 AM with a bring your own meet BBQ, awards and ice cream desert following the final race for all family members.

The Sailing School will consist of several instructional levels of class with a goal of instructing the beginning sailor students with up to three years of previous CBYC Sailing School experience mixed in the same class. Students will sail a Holder Hawk. Past Beginning Sailing students should consider themselves for the advanced class if they are confident of their skills or have completed three summers of beginning sailing. The advanced class for 2014 will consist of a variety of racing formats and practice racing. Advanced students will sail a Laser. Students with more than three years in sailing school are welcomed to assist with instruction of the Beginning Sailing students. Daily attendance for the full week is expected.

1. Students must be able to swim well enough to enable themselves to get back into a capsized boat. A basic swim test is required.
2. All students need a supervising parent or adult CBYC member sponsor present on site who is responsible for entry, information, and supervision during the “on the docks” and “on the water” activities. Any exceptions need to be discussed with the instructor prior to June 13. The sponsor and parent assume all liability for the activities for the student. Parent volunteer instructors or supervisors are mandatory for on water events.
3. Each student will be required to provide his or her own U.S. Coast Guard approved life jacket with a whistle to wear at all times while on the docks and on the water. Students should bring a swimsuit, change of dry clothing, and a dry towel, which should have personal identification attached. No phones, radios or electronic games please! A “shortie (or full length) wet suit” is recommended for warmth, some are available for loan. Shoes are required to be worn at all times while on the docks. No "free swimming" time is allowed during the lunch break.
4. A \$75 donation per club member or \$118 non club member with registration for the Sailing School Program is needed to maintain the program. **(CBYC liability insurance premium per student for the 5 days is in excess of \$50)**
5. Class is held rain or shine, only the activities may be modified.
6. A scheduled mandatory work party will be held Friday June 27, 2014 after sailing school, in preparation for the Saturday “open house” and youth racing regatta. Brooms, rakes, lawn implements will be requested for use. Families welcome and encouraged to watch your sailor and enjoy CBYC Saturday.
7. Prompt registration **prior to June 13, 2014** is needed to enable proper planning for the Sailing School.
8. Sailing school logo tee shirts will be provided with registration.
