An Advance Contract Award Notice (ACAN) allows departments and agencies to post a notice, for no less than fifteen (15) calendar days, indicating to the supplier community that it intends to award a good, service or construction contract to a pre-identified supplier. If no other supplier submits, on or before the closing date, a Statement of Capabilities that meets the requirements set out in the ACAN, the contracting authority may then proceed with the award. However, should a Statement of Capabilities be found to meet the requirements set out in the ACAN, then the contracting officer will proceed to a full tendering process.

Project Description:

The Department of National Defence (DND) has a requirement for the provision of Aerospace Control Distance Learning online courses for 2 Canadian Air Division. The services will be for the training of the Ground School and Instrument Pilot Courses. A guarantee of 50 students, and up to a maximum of 90 students will require the identified service, on an annual basis. The services will be required from date of contract award to August 31, 2011, with the option to extend the contract two(2) additional one (1) year periods.

All goods are to be delivered FOB Destination, including all freight and transportation delivery charges associated.

There are no security requirements associated with this requirement.

Any interested supplier must demonstrate by way of a Statement of Capabilities that it meets the following minimum requirements:

Provision of the following Course Modules:

- Introduction to Aerospace Control (ACE)
- Takeoff, Circuits, Landings and Emergency Procedures
- Theory of Flight
- Basic Meteorology
- Advanced Meteorology
- Weather Services
- Flight Planning
- Radio Navigation
- Review of Air Law
- Instrument Flight Rules (IFR) Law

IFR Flight Planning
IFR Departure Procedures
IFR En-route Procedures
Holding Procedures
Approach Procedures
Instruments and Instrument Flying
Canadian Forces School of Aerospace Control Operations (CFSACO)
Module including an Acronym Test
Examinations

Additional Requirements:

The course must be offered as a Distance Learning Course (DLC) through the Internet.

Canadian Forces School of Aerospace Control Operations (CFSACO) must have teacher access rights that allow the creation of tests, marking of tests, access to statistics on each student's progress and the capability to add new modules or lessons. The lessons must match the material in the following publications: From the Ground Up by Aviation Publishers (current edition) and Instrument Procedures Manual by Transport Canada.

The presentations must be accessible on the Internet and through the Defence Wide Area Network (DWAN) firewall.

The material must be ready by 1 Sept 2010.

Web access to the course must be available 24 hours a day, and seven days a week.

Trade Agreement Application:

Non-applicable.

Sole Source Justification:

Government Contracts Regulations (GCR) and Limited Tendering Reasons:

GCR Part 1, Section 6

(d) Only one supplier (person or firm) is capable of performing the contract.

Period of the Proposed Contract:

Services shall be provided through Harv's Air - Steinbach's, Steinbach South Airport, box 1056 Steinbach Manitoba, electronic systems from date of contract award, estimated
