NOVEMBER 8TH AND 9TH 2014**

LET'S GET THE DOG COMMITTED TO THE EXERCISE!!!!

Jane Johnson began training dogs 32 years ago. A working mother at the time, she realized early on that she needed to be able to focus her training in the limited time available. In response to this, she developed a pyramid training system that enables a dog to build on his education as he progresses.

Jane has achieved an Obedience Trial Championship with six of her border collies, with a seventh sitting hopefully at 88 points. In the course of her career all her dogs have won multiple High in Trials and High Combined, and she has several perfect scores. She also has a MACH, conformation Championships, Herding Excellent titled dogs on both the A and B courses, and Rally titles.

As a coach and teacher, Jane is invested in helping each dog and handler team achieve success and desired outcomes. Her students have won multiple Obedience Trial Championships and she has coached a wide variety of dogs to advanced titles and national rankings in their breeds.

Jane sees training a dog as a journey and continual work in progress, and the philosophy she embraces is that "If the dog likes to do it, he will do it better". Needless to say, positive training is the foundation.

Working teams will be limited to 20 teams with unlimited auditing available. Fee for the seminar is \$ 175.00 for a working team for both days, \$ 100.00 for a working slot for one day of the weekend, \$ 90.00 for audit slots for the weekend or \$ 50.00 for an audit slot for one day. MOTC members may use up to \$ 20.00 in MOTC bucks. Jane will be available on Friday, 11/07/14 for private lessons, fee \$ 65.00 per hour. Please contact Brenda Enders to schedule a private lesson with Jane. Fee includes lunch both days, snacks and drinks. Juice, coffee and pastries will be available in the mornings.
