Happy New Year!

A message from the Leading Knight

Hello Everyone, I hope this message finds you and your families well.

Over the last 9 months the officers and trustees of this lodge have put together a sound fiscal plan to weather the financial storm we have experienced in the lodge these past couple years; the roots of which began years ago. The 15-point plan that has been put in place by the officers and trustees of the lodge will take us through these troubled times and well into the future once it has time to work and the economy recovers. I can safely tell you the lodge is not closing, not being sold, the ship is not sinking. "The rumors of our demise have been greatly exaggerated."

It is true the officers and trustees of this Lodge have cut the fat out of our budget and changed some methods of doing business. There are some individuals who view this as evidence of our demise when in reality it is healthy for any business to go through this from time to time. That is the nature of capitalism and makes a business stronger.

It's true the long term, by this I mean 3-10 years, financial stability of this lodge will depend on increasing membership. This last year alone we lost 30 members to the "Sands of Time." Increasing membership will give us the financial platform to not only weather future storms but to refurbish the lodge and take us well into the 21st century. To accomplish this, membership recruiting must be and continue to be our highest priority.

Last month every member in the lodge received 2 membership applications and brochures about our lodge and philanthropy. Please use them! Starting in January our new web site is up and running and will be a wealth of information about our lodge, social quarters and banquet facilities for recruiting new members and customers. You will also be able to download a membership application anytime, once you sign up.

As any good salesman will tell you, when making a sales call, all you have to do is ask. It's as simple as that! Ask your friends and acquaintances to join the Elks.

The rumors of our demise have been greatly exaggerated.

Best Regards,

John Skillrud, Leading Knight

Yes! It's that time of the year when you have an opportunity to participate in our major fund drive for charities.

Raffle tickets should have appeared after your Christmas mail and need to be returned as soon as possible. We do need your participation to have a successful Charities Drive.

REMEMBER, set aside **SUNDAY, JANUARY 23, 2011 (11:30 to 4:30PM)** for a great spaghetti dinner at the ELKS. All-you-can-eat at a reasonable price.

LODGE CLOSED ON MONDAY

2011, Wow, where does the time go? On behalf of all the Employees and Officers of the Lodge, we hope that you were able to enjoy the holiday season with your families and friends. We also hope that 2011 will be prosperous and will see you in good health throughout the year.

As I begin my Elkliner message, I want to first wish the Chairman of the Trustees, Tom DiSalvo, a speedy recovery. Tom had not been feeling well and discovered that he had bowel obstruction. After a surgical procedure and a few days of rest in the Veteran's Hospital, he is back at home recuperating. We all wish him well.

We continue to initiate new members. We have over 40 members for the year so far, and about 6 new applications are in the office waiting for January's meeting. Please keep up the recruitment of new members. The future of our Lodge lies with an increase in our membership.

We are a couple of donations short of meeting the \$500 challenge that was made by Pat and Dan Cornwell. Hopefully, a few more members will come forward and match the challenge.

As you enter the Lodge you may have seen the poster with the thermometer on it. Marian Pirkl is tracking the donations for the new roof and keeping the poster up to date so that we may see the progress

in raising funds for the new roof. So far over \$4,000 has been raised.

Mid Winter Conference is approaching very fast. The lodge will need a lot of Volunteers during that time to assist our out of town visitors with directions to the meetings, selling raffle tickets, room set up and cleaning of the Lodge. If you are available to help out let the Office or Jim or Julie know. I will get a signup sheet at the Lodge for those interested. We still need some items for the raffles, both for the Lodge and Auxiliary raffles. If you got that Christmas gift that you just don't want, or two of the same thing, this would be a great way to donate it as a raffle item. You will find a registration sheet in this Elkliner if you are interested in attending the Conference. Reservations must be in by January 1st to avoid a late charge. The dates are February 3-6 with most of the meetings at the Concourse Hotel.

The Hotel is providing free parking for our members who wish to attend. The ladies Luncheon will be Saturday, Feb 5th at the Concourse and the Association Luncheon will be at the Lodge. Saturday night the banquet will be at the Lodge, with the *Kristi B* band playing after the banquet. If you are not attending the Conference, you are still welcome to enjoy the *Kristi B* band, after the banquet.

Long time Lodge Esquire Patrick "Paddy" Fitzpatrick has resigned as Lodge Esquire. He took a new job that does not allow him to attend the Wednesday night meeting. "Paddy" will be greatly missed as Esquire. He was always able to find humor in what was going on, and was always able to bring a smile to those around him. We wish him well in his new endeavor.

We now have openings for Lodge Esquire and Lecturing Knight. If interested in either of these positions let an Officer or the Office know.

Finally for those of you who haven't been to a Lodge meeting lately, the raffle at the close of the meeting is over \$1,100.00. Some member is going to walk away one of these nights with a nice sum of money for attending a meeting and buying a raffle ticket.

As always, Elks Care — Elks Share.

The Mid-America Blood Services Division has recently transitioned to the new American Red Cross public website, redcrossblood.org. This website is a one-stop shop for blood donors, blood drive coordinators, sponsors, board members and hospital patients nationwide. While redcrossblood.org is a national web-site for all blood services, visitors can find their local donor centers and blood drives by entering their zip code. All confirmed, open to the public, blood drives will be on the new web-site and on-line scheduling will be available.

Individuals pledging their donation to Madison Elks # 410 continue to set new records. Last year, for the first time in our 26 year history, we broke the 100 donation level with 103 donations credited to our lodge. Where does the time go? We are already half way through our auxiliary year. Our Fall Fundraiser, Septemberfest, was a big success and hopefully we will do great at the Elks Mid-Winter Conference.

We will not hold meetings in January or February so I will see you again in March. **Our next meeting will be held on Tuesday, March 8, 2011.**

At our November meeting, we collected 121 lbs. of food donations and \$67 in cash. This will provide approximately 96 meals to help feed the hungry. We also collected 2 large boxes of WIPES for use at Camp Wawbeek Respite Center. Thanks to all for sharing and caring.

Get Well Wishes If you know of a member that is ill please call our Sunshine Chairman, Mary Klein—244-8797 and give her the information.

We extend sympathy to the family and friends of our auxiliary members **Doris Mechtel and Dorothy Shinstine.** Also to Dottie Dittmann for the loss of her husband, **Herb Dittmann, Jr.**

Volunteer Hour Forms—must be turned in at our March meeting. If you are gone for the winter, please mail your report to Donna Ellis, 4946B N. Sherman Ave., Madison 53704. You should report your hours for time worked from April 2010 thru March 2011 (projecting the hours for March) as well as any monetary donations. The information is filed with the IRS by the Grand Lodge to maintain our “tax exempt” status as well as to show how much the Elks help in the community by volunteering.
