Using Gift Aid means that for every pound you give, the charity you are supporting will receive an extra 28 pence from the Inland Revenue, helping your donation go further.

This means that £1,000 can be turned into £1,280 just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing.

So if you want your donation to go further, Gift Aid it. Simply complete this form and send it along with your donation:
