

## Tootgarook Primary School

### "Leaping into Learning"

#### Pre-Prep Program

**To parents of 4 year old Pre-School children**

**Is your child ready to begin learning Literacy and Numeracy skills in a primary school environment?**

Tootgarook Primary School is giving Pre-School children an opportunity to participate in early Prep Literacy and Numeracy activities while he/she is still attending Pre-School. Our experienced Prep teachers will introduce your child to early reading, writing and number activities in a Prep classroom, prior to commencing Preps in 2013. The activities will aim to extend your child's oral language, fine motor skills, his/her concepts about print, letter and number knowledge. Children will also participate in activities to develop their body awareness, balance and eye-hand co-ordination. Participation in the program will begin to help your child familiarise with the school environment and classroom expectations.

The sessions are to be held during Terms 2 & 3 in our Prep classrooms each Thursday, 2.00pm -3.15pm, commencing on Thurs. 24th May. The program will continue in Term 4 for children who have enrolled in the 2013 Prep program at Tootgarook Primary School.

To register your child for this program, please complete the expression of interest form attached below. This form should be returned to Tootgarook Primary School, Carmichael St. Tootgarook .

For further information about the program please contact Jan Prossor ph 59852864

Principal,

Wayne Whitworth

Prep Teachers,

Jan Prossor & Mandy Bos
