Volunteer applicants must provide the names, addresses, and phone numbers of two persons to whom reference forms may be sent. Ideally they should be people who have knowledge of or experience with the applicant's interactions with children and/or youth. Please do not use family members. Once completed, return this form to Kathy Gunn. Good Shepherd will send a reference form to the persons providing references. Please note that the reference form must be sent to Good Shepherd directly from the reference. They will not be accepted if provided via the volunteer applicant.
