Our Mission

The Springfield Boys & Girls Club provides, in a safe environment, programs that inspire, educate, guide, enable and support all young people to realize their full potential as productive, responsible, respectful citizens and leaders.

Support Our Summer Programs

The total cost for one child to attend the 8-week Kids 'N Summer Fun Program is \$1,000. During the summer, these children engage in soccer and dance programs, swimming, nutrition and healthy habits classes, music, wrestling, an occupational therapy program with Bay Path University, art and drama workshops, field trips, video production classes, a talent show, and much more. As we open the door to Springfield youths' great futures, please help support our children during the summer!
