

YOU'RE INVITED TO A "SPOOK-TACULAR" MYSTERY NEIGHBOR "TUPPERWARE®"

OPEN HOUSE

DATE: _____

LOCATION: _____

Pumpkins, Neighbors and Tupperware, oh my! It may be a spooky holiday, but there's nothing spooky about Tupperware...it's a household kitchen favorite...no matter what holiday you use it for! In fact, every "good" neighborhood witch needs it in their kitchen, even the neighbor next door, who covets her secret recipes.

*The witches brew of the day will include "spook-tacular" savings, a chance to do some holiday shopping, an opportunity to see our new safe & fun toys, a fun way to meet some new neighbors and chances for a drawing for **Free Tupperware!***

One lucky Mystery Host will earn the host credit from the sales of the party (you choose your Tupperware), another lucky winner will receive the beautiful "Radiance" Bowl (a \$21 Value): and everyone who comes will receive a "thank you" for coming! Here's how you can earn chances in the drawing:

1 chance for coming

2 chances for bringing a friend

1 chance for each \$20 you spend

5 chances for dating a party of your own

So, come for some treats (no tricks!), meet some new neighbors, and see why the newest in Tupperware is so sweet!
