

Fundraising Guidelines
Essential Information for Community Fundraisers

Thank you...

Thank you for considering raising funds to support COPE: Centre of Perinatal Excellence.

The team at COPE greatly appreciates support from the community and the generosity of individuals and organisations who conduct and support activities held to benefit our work.

To ensure that your activity is safe, rewarding and fun, COPE provides the following step-by-step guide.

About COPE

COPE is an independent, not for profit organisation dedicated to helping support the emotional health and wellbeing of mothers, fathers and infants. Our goal is to reduce the devastating impacts of mental health conditions, such as depression and anxiety, which can be experienced during pregnancy and in the first year following birth. COPE works directly with health professionals to increase their knowledge, skills and confidence in diagnosing and treating mental health issues, so that parents receive effective support and treatment.

At the same time, we want to mobilize a groundswell of community support to challenge current expectations surrounding parenthood and address the high levels of stigma that we know discourage women from disclosing, seeking support and treatment for pre and postnatal anxiety and depression.

WHAT WE STAND FOR

COPE stands for Centre of Perinatal Excellence.

We are dedicated to reducing distress and restoring lives of mothers, fathers and families affected by perinatal (ante and postnatal) emotional and mental health conditions. COPE focuses on ante and postnatal depression and anxiety, bipolar disorder, and postpartum (puerperal) psychosis specifically.

COPE's goals

With your support we work to:

1. **Raise awareness and understanding** - so that mental health conditions are identified early.
2. **Stop the stigma** - so people feel ok to speak up and seek help.
3. **Empower people** - by providing access to high quality information and guidance to care.
4. **Equip health professionals with knowledge, skills and confidence** - so that they can provide safe and effective care.
5. **Support world-leading research** - to enhance practise, inform policy and services.
6. **Provide a voice (advocate)** - to represent the needs of women and their families.

Fundraising for COPE

To ensure your activity is safe, rewarding and fun, COPE provides the following step-by step guide.

It will help you to develop an activity that minimises risks to you, other participants and to COPE, and provide guidance in relation to important State and Territory legislation and local government regulations.

By law, COPE is required to approve and authorize all community-based fundraising activities involving members of the public and volunteers where the funds raised will be donated to COPE. Approval will be considered once we have reviewed your fundraising application.

When reviewing your application, we will consider the following:

- your safety
- the safety of others
- whether the proposed activity meets the standards and requirements of COPE
- whether the proposed activity is compliant with State or Territory law
- whether the proposed activity meets the requirements of your local fundraising authorities or your local council.

To get started, please follow the six-steps to community fundraising.

COPE's six steps to fundraising

STEP 1 - WHAT WOULD YOU LIKE TO DO?

Decide what type of fundraising activity you would like to organise.

Examples of activities we suggest include:

- morning or afternoon tea at work or at mothers groups
- girls luncheon or night in/out
- auction
- open garden
- casual dress day
- wear pink day
- concert or music festival

- trivia night.

You can also encourage your workplace to support COPE through initiatives such as workplace giving.

The following types of activities are **not** generally endorsed or permitted to be conducted on behalf of COPE:

- tin rattling
- door-to-door fundraising
- alignment with any pharmaceutical or tobacco organisations.

Please note that COPE will not endorse activities that may adversely affect the health of participants.

STEP 2 - IS MY ACTIVITY LEGAL? DO I HAVE TO COMPLY WITH ANY LAWS?

Understanding your responsibilities, including fundraising laws in your State or Territory, is important. Depending on what activity you decide to conduct, you may need to check with local authorities to make sure you comply with local regulations.

STEP 3 - WILL MY ACTIVITY BE SUITABLE TO COPE?

Once you've decided on your activity, you will need to complete and sign the Proposal to Fundraise form on page 8 and send it to COPE for consideration.

COPE will usually provide a response within one week from the date of receipt. COPE reserves the right to decline any fundraising proposal.

STEP 4 - WHAT WILL COPE DO?

COPE will review your Proposal to Fundraise and, if the proposal is successful, COPE will provide you with an Authority to Fundraise letter.

An Authority to Fundraise letter will only be provided once COPE is satisfied that the proposed activity meets these Fundraising Guidelines.

STEP 5 - COPE HAS AUTHORISED MY ACTIVITY - WHAT NOW?

You can start organising your activity! You may like to form a committee of volunteers or friends to help you.

Keep in mind that COPE would welcome any photographs or post-event information that may be suitable for inclusion on its website, facebook page or in publications (e.g. annual report) so allocate responsibilities such as photography or writing where possible.

Looking for sponsorship and approaching companies for support

Please consult with COPE first before approaching the National or state office of a company which may be able to provide prizes, auction items or sponsorship for your fundraising activity.

STEP 6 - THE ACTIVITY IS OVER - WHAT NOW?

Please fill out the Fundraising Evaluation form on page 10 and deposit the funds raised to COPE within 28 days of completion of your fundraising activity (see page 8 for further details).

As a small organisation, it is not always possible for COPE to provide representatives to attend fundraising activities or collect funds raised - but we will do our best!

Understanding your responsibilities

The fundraising activity must be conducted in the name of the person (aged over 18 years of age) or organisation named in the Authority to Fundraise letter (the Community Fundraiser). The Community Fundraiser, not COPE, will be solely responsible for the co-ordination and management of the activity, along with any finances, prizes, publicity and/or goods or services required to run the activity.

The Community Fundraiser must ensure that its officers, employees, agents, partners, volunteers, contractors and associates do not claim to represent COPE, nor claim to have authority to act on behalf of COPE.

Public Liability Insurance

It is the Community Fundraiser's responsibility to ensure adequate public liability insurance cover in relation to the fundraising activity.

Public liability insurance protects you from costs that might arise if an incident occurs during the activity, even if you are not to blame.

Risky Activities

COPE reserves the right to refuse to grant authority for activities that it deems are too dangerous or pose an unacceptably high risk to you or the public.

Important requirements for community fundraising activities

COPE supports the responsible serving of alcohol.

The Community Fundraiser must ensure COPE is not aligned with any pharmaceutical or tobacco organisations.

Logos, media information and approvals

The Community Fundraiser is responsible for generating publicity in the media about the fundraising activity. COPE reserves the right to approve any media release, artwork, activity description or wording about COPE before it is published or distributed.

This is to ensure that the activity and COPE's involvement is represented correctly. If in doubt about how to describe COPE in any promotional material for your activity, please address your question/enquiry to info@cope.org.au for assistance.

If the media contacts you for information about COPE you should contact the Executive Director on 0438 810 235. You are not authorised to speak on behalf of COPE. You may however speak about the fundraising activity itself.

Please also remember that it must be made clear to the public that money being raised will be donated to COPE, and that you do not represent COPE.

Use of the COPE logo

Use of the COPE logo may be permitted at COPE's discretion and for a limited time. Any use of the COPE logo (by the Community Fundraiser or supporting commercial organisations) must be approved by COPE.

Guidelines on how to use the COPE logo will be supplied upon approval of the fundraising activity if use of the logo has been permitted.

Use of COPE's name

All printed promotional materials featuring COPE's name or logo need to be approved at the design stage by COPE (prior to print and distribution).

Please note that COPE is printed in capital letters and may be referred to as

- COPE and/or
- Centre of Perinatal Excellence (COPE)

Once you receive the Authority to Fundraise letter from COPE, you may use the following terminology on all promotional materials: "Proudly supporting COPE".

Example of correct usage:

Girls Mother's day luncheon – Proudly supporting COPE.

Example of incorrect usage:

Branding as a COPE event or activity.

E.g. COPE Mothers day luncheon.

Make sure you contact COPE for approval of any media release, logo use, artwork, activity description or wording before it is published or distributed.

Money matters

As the Community Fundraiser and activity organiser, you are responsible for all financial aspects of the activity, including record keeping, management of funds and depositing of funds raised into the COPE's bank account.

You must comply with the charitable fundraising legislation and regulations that apply in your State or Territory.

Basic obligations

Your basic obligations are to ensure that:

- you keep, and provide COPE with, accurate financial records of your activity
- all funds raised are deposited into COPE's bank account within 28 days of completion of fundraising activity.

COPE cannot pay or reimburse any expenses incurred by you as a result of the fundraising activity. However, you can deduct your expenses from the proceeds of the activity, provided this is properly documented. (As a guide we suggest that total expenses should not exceed 30 per cent of total proceeds.)

Tip for record keeping: A simple way to keep track of the financial details of your activity is to keep a folder with a number of plastic sleeves. Use individual sleeves to keep receipts, bank deposit stubs, cheques donated and donor sponsorship/tally sheets.

Issuing a COPE receipt

There are two types of official COPE receipts:

a) *A non tax deductible receipt that can be issued*

This is issued when a donor gets something in return for giving. In other words, a tax deduction isn't available (and only a non tax deductible receipt can be issued) if you, for example, win goods or services at a charity auction or you obtain entry to an event.

b) *A tax deductible receipt*

This is issued when a donor receives nothing in return (in other words, for a pure monetary donation).

Note:

- Tax deductible receipts can be issued only to people who donate \$2 or more.
- You cannot claim a personal tax deduction for monies received and/or donated on behalf of others.
- You cannot claim a tax deduction for gifts that are donated to your activity.
- If preferred, you can keep a register of all attendees/supporters eligible for a tax deductible receipt.

Please note: If you require individual receipts from COPE for donors, please attach a list of names, addresses and the amount donated and return this to COPE with the Fundraising Evaluation form.

BANKING PROCEDURES

All funds raised from your activity must be submitted to COPE, less your reasonable expenses. When your fundraising activity is completed, please fill out the Fundraising Evaluation form and return it to COPE with the funds raised within 28 days.

You can transfer the funds to COPE via bank transfer using the details below:

Bank: Commonwealth Bank of Australia (CBA)

Account: Centre of Perinatal Excellence - Donations

BSB: 06 - 3138

Account: 10748085

Description: Event ID

Remittance: info@cope.org.au

Please ensure that you submit the Fundraising Evaluation form with the details of your cheque or EFT transfer and activity name and ID so that we can identify your donation.

COPE will receive your funds in confidence and will not solicit further donations or send information materials without your consent.

For more information about how to deposit funds, please email info@cope.org.au.

Donations can also be made direct to COPE through the Givenow Page

www.givenow.com.au/COPE

Legal matters

BEING RECOGNISED AS A LEGITIMATE COPE COMMUNITY FUNDRAISER

Genuine COPE community fundraisers can be identified by an Authority to Fundraise letter which is printed on COPE official letterhead and includes:

- the fundraiser's name
- confirmation of the location or type of fundraising activity
- date for holding the activity
- COPE authorised staff signature.

COPE keeps a record of all letters sent to authorized fundraisers.

Please ensure that you submit the Fundraising Evaluation form with the details of your EFT transfer and activity name and ID so we can identify your donation.

NATIONAL, STATE AND TERRITORY LAWS

All fundraising activities must comply with all relevant National, State and Territory laws and regulations. **In each State and Territory, there is a Charitable Fundraising Act or equivalent to which COPE, and those fundraising on behalf of COPE, must adhere to.** Other regulations you should be aware of, in particular, relate to liquor licensing and preparation of food.

It is also your duty, as the Community Fundraiser, not to make false statements while seeking donations. For example, if you say that 'proceeds' will be donated to COPE, then all monies must be donated. If you plan to deduct your expenses from money raised, then you should say that 'net proceeds' will be donated to COPE.

Your choice of fundraising activity may require compliance with additional State or Territory gaming legislation. Fundraising activities such as bingo, raffles, art unions and door-knock appeals are regulated by State and Territory gaming authorities. (Please note that COPE does not authorise door-knock appeals.)

To find out more about fundraising legislation in your State or Territory, please contact the relevant authority listed.

“THIRD PARTY” PERMITS

Third party permits and permissions may also be required for your activity. Consider informing the police and St. John’s Ambulance about your fundraising activity if it is a large event. This includes street parties and parties held at home. Your State or Territory police service may have guidelines relating to parties held at home. Please contact your local council to find out if your activity requires a local government permit.
