

THE READING GROUP

a not-for-profit learning center

“Only 10% of students who read poorly at the end of first grade ever read proficiently in later grades.”

- Research by Dr. Connie Juel, expert at the University of Virginia

“By age four, the average child of a welfare family might have heard 13 million fewer words of cumulative experience than the average child in a working class family.”

- Betty Hart, 1995
