## Character Corner

# FAIRNESS

# patience

# EQUALITY

# justice

The character word this month is fairness. Patience, Justice, Equality, or Fair Play are all associated with fairness. A fair person is a just person; a person who treats other equally. We should make decisions without favoritism or prejudice.

A person who follows the pillars of character is an open-minded and impartial person. This is a person who does not take advantage of others or blames others unfairly. Let's all work hard to be fair in all that we do. Be fair to ourselves and be fair to others. Together, we can make a difference.

## Pull those PULL TABS!

Don't forget to turn in your pull tabs by February 28, 2013 to your 4-H club leader in a Ziploc bag. The 4-H office will pick up all pull tabs on March 1, 2013 at all schools.

Why collect pull tabs? Our Jr. Leader club sponsors this drive every year. They collect all of the pull tabs from all clubs in the parish and recycle the tabs. The money they receive from recycling the tabs is given to Ronald McDonald House charities that help sick young people and their families while they are getting treatment. Every little bit helps!

# Livestock News—2013 Acadiana District Livestock Show Results

The 36th Annual Acadiana District Livestock Show was held on January 23-26, 2013 at the UL Lafayette Blackham Coliseum. Thirty-three St. Martin Parish 4-H members exhibited their beef, dairy, sheep, goat, poultry, and swine animals.

The livestock projects (1) are tools for the development of life skills by 4-H and FFA members, (2) provide an opportunity to expand their knowledge of livestock production and management, (3) improve and enhance livestock production in Louisiana. Therefore, the purpose of the 4-H livestock program is to provide opportunities for young people to develop character and life skills. Character traits identified are: leadership, respect, trustworthiness, responsibility, fairness, caring, honesty, integrity, self-esteem, and citizenship. Youth develop life skills and character traits when they are involved in each phase of the livestock project from selection through the show ring.

The results of the 2013 Acadiana District Livestock Show for St. Martin Parish exhibitors are as follows:

# Agcellent Information-A Day Without Ag?

“Ag” is short for agriculture. When you think of agriculture you probably think of people growing crops or raising cows, pigs, sheep and chickens on a farm. But agriculture means much more than that.

The people who work in factories to build tractors and other farm machinery play an important role in agriculture. People in universities who research new agricultural products and new ways to grow food and fiber are involved in agriculture, too.

The grocer must buy agricultural products to fill the grocery shelves. The restaurant owner must buy agricultural products to prepare and serve his or her customers. The clothes you wear and the furniture on which you sit were probably made from agricultural products.

Think of all the ways in which agriculture touches your life. When you wake up in the morning, you might be lying on cotton sheets. Your pillow could be filled with down feather from a goose. The frame of your bed is probably made of wood. These are all “ag” products, and you aren’t even out of bed yet. When you do get out of bed, you may put your feet onto a rug made from the wool of a sheep or a linoleum floor made from soybean oil.

The soap you use in the shower might contain cottonseed oil or lanolin, a kind of oil from the sheep’s wool. The handle of your hairbrush might be made from the bones and horns of a beef animal, and the bristles might be the bristles, or hair, of a pig. The towel you dry off with and the jeans and T-shirt you put on are made from cotton. Once you get to school you might pick up a crayon made from pig fat or soybeans. You’ve already used dozens of agricultural products, and you haven’t even started eating yet. Just imagine a day without agriculture. Do you think you could survive?
