# Join Us and be part of the fast growing and exciting SEEd

SEEd (Sustainability and Environmental Education) is a registered UK charity with the primary objective of enabling more of the education sector to engage with Education for Sustainable Development and Environmental Education. As an umbrella organisation, government chooses to engage with SEEd on issues related to ESD. If you would like to influence government and have your say, become a SEEd member and support education for a more sustainable world.

## Member Benefits

SEEd membership offers individuals and organisations a host of benefits including; access to resources, up to date information, discussion groups, professional development, and research. You can also be part of consultations and help create the change we need to embed this in all our education work.

SEEd members will be entitled to:

- Receive the SEEd e-newsletter
- Submit news articles and event information on SEEd's website and e-newsletter
- Detailed organisation member listing on website: name, logo, contact details, 100 word description & link
- 10% discount on SEEd events, training and policy fora (places limited)
- Automatic membership to the Sustainable Schools Alliance
- Access to other online SEEd discussions
- Input into SEEd research programme, including annual surveys
- Consultations – joint SEEd submissions
- Elect board members.

## SEEd Membership

SEEd has a cross-sectoral membership that includes individuals, teachers, FE colleges, schools, local authorities, NGOs, and other organisations. To join, simply select your level of membership and complete the attached membership form.

There are various ways to support SEEd:

- Individuals & Student Membership
- School, Organisational & Corporate Membership
- SEEd Project Supporter
- SEEd Sponsor

## Other Ways to Get Involved

**Project Supporters** – SEEd are committed to achieving significant change through partnerships. These partnerships enable SEEd to deliver programmes, training, policy, research initiatives and events that help create the change needed to embed education for sustainable development in the UK.

**SEEd Sponsor** – Sponsorship enables SEEd to develop new ideas, share, collaborate engage with Education for Sustainable Development and Environmental Education practitioners in schools, businesses and local communities in the UK.

**To discuss future partnership opportunities or potential SEEd sponsorships, please email: [info@se-ed.org.uk](mailto:info@se-ed.org.uk)**
