

a word from Bro. Ed...

Welcome to Worship! What an exciting month we have ahead of us. Today we begin looking at the last days of Jesus’ life on earth. Of course, it will culminate on Easter Sunday, April 24. These events in the life of Jesus are significant because they show us Christ’s purpose, which was to offer Himself up as the one and only sacrifice for the sins of every human being. We know that His story doesn’t end in death but in resurrection. Let’s make a point to be in attendance every Sunday in April.

Let me thank each one who “adopted their neighborhood for Easter.” We learned several weeks ago that one half of all unchurched people in America would attend church if an acquaintance would invite them. We are going to take that opportunity this month. Remember that from the 1st—5th we are going to “prayer walk” our neighborhood. Just make mental notes of those in your area who do not attend church on a regular basis.

Tonight in our evening service, Mike Todd and his daughter Beth will share with us about their Brazilian mission trip on the Amazon River. Please come back tonight and catch the excitement of reaching our world for Christ.

Love Being Your Pastor,
Bro. Ed
