**Away Game Policy**

In most situations, student athletes will travel as a team to and from all AWAY games. All student athletes must return to school with the team unless leaving with a parent/guardian or if a parent/guardian gives permission to do otherwise.

If on a particular day a student athlete wishes to leave directly from a game without a parent or guardian and not return to school with the team, she/he is required to either:

- have a note from her/his parent/guardian stating so, or
- authorize your student athlete to return from games with specific people recorded below.

I give permission for my child \_\_\_\_\_ to leave directly from the location of any AWAY games with the following people listed below.
