Instructor: Terri Schaefer - In the Wool

### Traditional Rug Braiding & Rug Hooking

In this 2-day class, students have the option of learning Traditional Rug Braiding or Rug Hooking with wool fabric. If choosing Rug Braiding, you can learn to make either a round chair pad, rug or an oval braided rug. If you wish to learn Rug Hooking, students can choose from a variety of pattern designs by In the Wool. (I will be in contact with students prior to class, for their pattern selection)

If you are already a rug hooker, and have a rug hooking piece that you would like to add a braided border onto, you can choose to learn my popular 3-step picture method, way of making a butted braided border.

If you have taken one of my classes in the past and just need a refresher, you are more than welcome to bring your project to receive additional instruction, color planning suggestions, problems solving, etc.

I will have wool fabric, supplies & equipment available for purchase in class. Students are encouraged to bring a bag lunch. (classroom has a refrigerator & microwave)
