## York Races

Everyone at York Racecourse very much looks forward to welcoming you to the Knavesmire for the 2016 season. This booklet has been produced to provide owners and horsemen with information prior to your visit to York. Please do not hesitate to contact the team if you have further queries (see page 19 for their contact details).

York Racecourse has a proud tradition of staging the very best of thoroughbred racing dating back to 1731. York is an independent racecourse run for the good of racing at York. We have no beneficial shareholders and pay no dividends – everything we make is reinvested into prize money, facilities and the racecourse experience at York.

This year sees a fifth consecutive year of growth in prize money to a record level of £7 million. This represents an increase of over £300,000 on last year and growth of 40%+ since 2011. Our seventeen day season now has 30 Group and Listed races. All afternoon fixtures will have a prize fund of at least £100,000 with a feature race of at least £30,000 and every race will have a prize fund of at least £10,000.

The Welcome to Yorkshire Ebor Festival runs from Wednesday 17 to Saturday 20 August. All four of our feature races will receive a boost which, when combined with other increases, will see the cumulative value of the twenty-five races post another record exceeding £4 million in prize funds. Ranked as the number one race in Great Britain by the International Federation of Horseracing Authorities, the £900,000 Group One Juddmonte International will be the richest race ever staged at York. I am delighted that the Sky Bet City of York Stakes, already a target for progressive horses over our seven furlong trip, has been elevated to Group Three status so becoming the tenth Group contest at the Festival. All races during our four August days will be worth at least £60,000.

Overall prize money at the Dante Festival in May will once again exceed seven figures, with a Group Two race on each day benefiting from a £10,000 rise in value. In July the longest running commercially sponsored flat race in the world, the 57th John Smith's Cup will receive a £50,000 boost to £200,000.

Recent years have seen significant investments in the racing surface, the stables, stable staff accommodation and the Owners' Club. During last season we were pleased to open the new Northern End Development of the racecourse to popular and critical acclaim. The relocated pre-parade ring, new saddling boxes, wash-down area and Winning Connections Room have been welcomed by visitors since 2014 and they have now been joined by a new Weighing Room as well as The Parade Ring Restaurant, offering a fine dining experience for smaller parties at the heart of the racing action. These facilities, as well as our complimentary luncheon for Owners with a runner helped us to secure both the ROA Gold Standard and the RCA Showcase Award for Owners Excellence; two accolades that we are keen to live up to during the coming season.

We very much look forward to welcoming you to the Knavesmire. Good luck for the 2016 season.

## Dante Festival Wednesday 11 - Friday 13 May

---

Top quality racing at the first meeting of the 2016 York season, with the prize fund increased to a total of £1,120,000.

Wednesday sees the twin highlights of the £120,000 Group 2 Duke of York Clipper Logistics sprint, and the £100,000 Group 3 Tattersalls Musidora for three year old fillies.

Last year's Tattersalls Musidora winner, Star of Seville, went on to win the Group 1 French Oaks. The Duke of York saw winner, Glass Office, appreciate the return to six furlongs with the second placed Mattmu returning to the track to take third place in the Group 1 Coolmore Nunthorpe.

Thursday hosts the feature £160,000 Group 2 Betfred Dante which has proved a leading Epsom form guide. Golden Horn claimed an impressive victory before taking the 2015 Investec Derby, Coral Eclipse and Arc de Triomphe, proving himself a deserved 2015 Horse of the Year winner. Jack Hobbs settled for second place before classic glory himself in the Irish Derby. Also on Thursday, the Group 2 Betfred Middleton Stakes for older fillies and mares, offers a purse of £120,000. A front running performance by Secret Gesture ensured she went one better from 2014.

There are now thirty York races as part of the Pattern. The first winner of the upgraded Listed Westow Stakes was Profitable. The race now forms part of the programme for three year old sprinters on course for the new Commonwealth Stakes at Royal Ascot.

The top horses from the action on Friday will often reappear in The Gold Cup at Royal Ascot, as the leading stayers take centre stage in the Group 2 Betway Yorkshire Cup, which offers £160,000 in prize money. Snow Sky had the best turn of foot before taking the Group 2 Hardwicke Stakes. Dusky Queen showed authority in the Betway EBF Stallions Stakes taking the title for the second year running before winning a Listed contest at Chester.

# Music Showcase Weekend

## Friday 22 - Saturday 23 July

The only evening fixture in York's busy calendar and as an enterprise fixture means the racecourse does not receive any levy or central funding to stage the race programme. However, the quality of racing is maintained, with the Listed European Breeders' Fund Lyric Fillies' Stakes, which was won by French Dressing in 2015.

This evening holds the record for the highest attended evening fixture in British racing and has a great atmosphere. In 2015 the evening welcomed over 36,000 racegoers.

On Saturday the £100,000 Group 2 Sky Bet York Stakes was won last year by Tullius whilst third placed French raider Prince Gibraltar went on to win the Group 1 Grosser Preis Von Baden in Germany.

Following racing on both days, the action continues with live music. We have The Corrs performing after racing on Saturday with Friday's act soon to be confirmed.

**York Races**

# Welcome to Yorkshire Ebor Festival

Wednesday 17 - Saturday 20 August

Our oldest, richest, fastest, and most famous races provide sporting excellence combined with fashion and top class racing action over four fabulous days. The traditional highlight of the season on the Knavesmire will commence on Wednesday 17 August featuring the richest race ever staged at York, the Juddmonte International, and finish with the Betfred Ebor, the richest flat handicap in Europe, on the Saturday.

The prestigious Group 1 Juddmonte International is the highlight of the opening day and with its increased prize fund of £900,000 is our richest race. The number one race in Great Britain, as ranked by the International Federation of Horseracing Authorities, has a roll of honour including Frankel, Sea The Stars and Authorized. Last year Arabian Queen produced one of the biggest surprises of the year as the sensational winner for Owner/Breeder Jeff Smith. The Group 2 Betway Great Voltigeur is always of particular interest as this £160,000 race has already produced thirteen winners of the final Classic of the year, the St Leger.

Thursday is Ladies Day fronted by the Group 1 Darley Yorkshire Oaks, with a total prize fund of £340,000, last year the title was claimed by Pleascach. The £200,000 Lowther Stakes is the richest Group 2 dedicated to juvenile fillies in Britain, won by Besharah, the placing was reversed when runner up Lumiere landed the Group 1 Cheveley Park. The day also features the Goffs Premier Yearling Stakes with a guaranteed prize fund of £300,000, and prizes to tenth place.

Friday sees the fastest race of the season at York, the Group 1 Coolmore Nunthorpe Stakes which again enjoys a boost to its value to a total prize fund of £340,000. Mecca's Angel proved an emotional winner out sprinting American runner Acapulco to victory in 57.24 seconds. This sprint race is balanced by the two mile Group 2 Weatherbys Hamilton Lonsdale Cup with a prize fund of £160,000, was won by Max Dynamite who later came second in the Melbourne Cup. The £125,000 Sky Bet City of York Stakes, has been elevated to Group 3 status so becoming the tenth Group contest at the Festival. The day also features the richest maiden race in the land the £60,000 European Breeders' Fund Convivial Maiden.

The feature race of the Saturday will remain the Betfred Ebor, the oldest, probably most famous race at York and the richest flat handicap at £280,000 in Europe. The excitement that this famous handicap generates has been constant since the 1840s, last year the title went to Litigant returning to the track after a 491 day absence. The Irish Thoroughbred Marketing Gimcrack Stakes with its £220,000 prize fund is the richest Group 2 juvenile race with a unique history and tradition.

We hope you will be able to be part of York's flagship fixture and look forward to welcoming you to Knavesmire.

# Jockeys and Stable Staff Information

## Jockeys

Jockeys riding on the day are entitled to two complimentary County Stand badges for their family and friends from the Owners and Trainers' entrance. These need to be requested, in person and signed for, either before the raceday or at the Owners and Trainers' entrance.

Physiotherapist Julie Brown, will be present on all racedays for those who require treatment.

The Weighing Room was opened at the start of the start of the 2015 season. The ground floor weighing room facilities are designed to provide modern, first class facilities for jockeys, stewards and medical teams with larger and better facilities for jockeys to change, rest between races, receive physio and medical treatment, to create a top quality environment for jockeys as they prepare for rides whilst sited in a central location to the parade ring and saddling boxes.

## Leading Jockey and Trainer Awards

We have individual awards for the leading trainer and jockey at York, both over the season and at the Welcome to Yorkshire Ebor Festival.

Former champion jockeys at York include Frankie Dettori, Paul Hanagan and Ryan Moore. Taking the 2015 Living North Top Jockey title was Phillip Makin, his tally of eleven winners began with a double in May and a four timer on John Smith's Cup Day ensured he led for the remainder of the season.

The fiercely contested Charles Clinkard Top Trainer at York was successfully defended by David O'Meara, taking the title for the third year running, finishing the year with twelve winners; despite William Haggas scoring five winners at the Ebor Festival alone, and the perennial strong challenge from Richard Fahey.

## Stable Staff

During the Welcome to Yorkshire Ebor Festival there will be a Stable Staff Celebration evening in conjunction with Betfred on the Friday night around Europe's richest Handicap, the Betfred Ebor. We look forward to welcoming many of you to the evening.

Finally, if you needed any extra incentive to win the Best Turned Out awards throughout the season, York Racecourse have a League Table to keep tally of which yard is "Best Turned Out", with the winning yard receiving a prize at the end of the season. Up to date results will be posted at the Stable Yard on each raceday. Good Luck.

## Stable Yard Location

The stable yard is within half a mile of the A1036 (West) exit of the A64, (sat nav code YO24 1QG).

The vehicle entrance to the racecourse stables is on Tadcaster Road, opposite the Fox & Roman public house. To book stables and accommodation for stable staff please email [stables@yorkracecourse.co.uk](mailto:stables@yorkracecourse.co.uk), telephone 01904 709174 or fax 01904 778647.

## Veterinary Provision

We have specialised equine vets from Minster Equine Veterinary Clinic on site during every raceday to attend to any horses that may require treatment, with the practice's clinic only a short distance away should it be needed. For the Dante and Ebor Festivals, veterinary cover will be enhanced by having the Equisave Horse Ambulance, designed and used for the equine events at the London Olympics, in addition to the Horse Ambulance team provided by Sebastian Garner.

Minster Equine Veterinary Practice can be contacted on 01904 788840, or email [poppleton@minstervets.co.uk](mailto:poppleton@minstervets.co.uk)
