Wilmington, NC Chapter - American Singles Golf Association — February 2011

GOLF OUTING AT THE LAKES - FEBRUARY 20TH

Message from the President

Thanks for coming to our first meeting of the new year. We had a great turn out, more than we have seen in a while.

George is out of the hospital and came to the meeting. We all sang happy birthday to him and he had a big grin on his face. We had a few new members and potential members who may sign up and that's a good thing.

Our first golf outing was cancelled and has been rescheduled for February 26 at Porters Neck. Don't forget the Beach Blast and start sending in your registration forms.

The memorial service for **Pat Leader** was January 22. The service was very nice and our members showed up in force.

Hope to see all of you at our next meeting and we have exciting news so be there. ~*John Travis, President*

Membership Committee News

Please welcome **Randy Nicholson** and **Mary Jo (MJ) Smith**, our two new members for the month of January. Randy attended our last meeting at Hieronymus and we hope to see them both at the Lakes on the 20th. Members brought

Brenda Stock, Ann Smith and Gordon Larson to the meeting and we expect to see them on our roster soon. Please bring your friends and fellow single golfers to our next meeting on the 10th.

Many new members are gained through contact with our current members. Invite a friend to our monthly meeting and provide **Rosemary** with the contact information and she'll do the rest. Rosemary's number is 910-612-7818 and email rrohayer@gmail.com.
~*Rosemary O'Hayer, Membership Chair*

Golf News

Our January golf outing at Porters Neck had to be rescheduled due to SNOW! It was hard for some of you in Brunswick County to believe, but the Porters Neck area got about six inches of the white stuff; the course was closed for over a week. We have rescheduled the event for Saturday, February 26. Tee times are again set to begin at 11:30 and the cost is \$45. **John Stenerson** will be handling the signups for the event. **Gerrie Storch** has rescheduled the **Antonio's** get together after golf.

The next outing will be on Sunday,

February 20 at The Lakes. Tee times begin at 11:00am. The cost for the event is only \$28. **John Stenerson** will be handling the signups for this event.

Please notice that the attached 2011 Golf Schedule includes both updates and additions. The I-40 challenge is now scheduled for September 10 at Coharie Country Club in Clinton. It's a very nice Dan Maples design; they have both a driving range and putting green. We'll have a banquet and prize "ceremony" at the clubhouse following the event. The food price is still pending but the total cost including golf, dinner and prizes is expected to be about \$45.

Bald Head Island and Carolina National dates were each moved forward a week due to the Easter Holiday. Please update your calendars!

Regarding cancellations for the Lakes, please call or email **John Stenerson** 3 to 4 days in advance if you think that you will not be able to attend the event for any reason. Please remember to let **Gerrie Storch** know if you will be eating with our group after the event.

At each event, we will be collecting \$1 from each player and guest for the bag attendant.

Cold Weather Play

~Thomas Golf

There are a number of factors to consider when playing in colder weather:

1. Heavy cold weather clothing can reduce freedom of motion and reduce swing speed. Additionally, your body and muscles are less flexible in cool weather, so take this into account when making your club selection. It's a good idea to start your cold weather game playing conservative until your body warms and adjusts to the weather. If you're experiencing reduced flexibility, it's best to use a shorter back swing rather than a longer full swing that requires more flexibility.
2. Low compression golf balls will perform better in cold weather as they help offset the hardening factor caused by lower temperatures.
3. The air temperature changes the compression of the golf ball, and also how it flies through the air. If you're playing golf in 50 degree weather, you will notice about a 10 yard decrease in carry distance compared to playing in 80 degree temperatures. Remember this decreased yardage, because it translates to about a 1 or 2 club difference when selecting your club.

What you can and cannot do when your ball is in a bunker

By: Jack Pultorak, Director of Rules & Competitions, Florida State Golf Association

Can I take a practice swing in a bunker? How about grounding the club at address? Or, can I put my putter or a rake in a bunker before playing or do I need to leave them outside the bunker?

All good questions and common occurrences; let's see what the Rules of Golf say.

When your ball lies in a hazard, either a water hazard or a bunker, a very special situation exists that is covered under Rule 13-4, Ball in Hazard; Prohibited Actions.

There are three prohibitions. You must not:

1. Test the condition of the hazard or a similar hazard;
2. Touch the ground in the hazard or

water in the water hazard with your hand or a club; or

3. Touch or move a loose impediment lying in or touching the hazard.

People get tripped up on these all of the time. It's easy to do, so let me give you a couple of do's and don'ts in a hazard.

You May Not (while your ball lies in the hazard)

- Rake your own or other's footprints in a bunker before making your first stroke from that bunker
- Smooth the sand at the spot where you just picked up the rake before making your first stroke from that bunker
- Make practice swings where your club touches the sand
- Ground your club at address in the bunker
- Touch the sand in the bunker or a loose impediment in the bunker in making your backswing

All of these are penalties!

However, there are some exceptions that will allow you to touch the sand while your ball is in the bunker providing nothing is done that constitutes testing the condition of the hazard or improving the lie of the ball.

You May (while your ball lies in the bunker) touch the sand in the bunker:

- In searching for your ball in a bunker (*if your ball is believed to be lost in the bunker, you may probe with a club or search using a rake or your hands and feet*)
- As a result of or to prevent falling (*you slip going down a steep bunker face*),
- In removing an obstruction (*removing a rake, cigarette butt, etc*),
- In measuring (*moving your ball over*

one or two putter heads if your ball interferes with someone else),

- In retrieving, lifting, placing or replacing a ball under any Rule (*your ball is struck and moved by another ball and must be replaced*), or
- In placing your clubs in the bunker (*you select one of the three clubs you carried into the bunker to hit the shot and toss the other two in the bunker behind you*)

And if you make a stroke at your ball in a bunker and don't manage to get it out, you are allowed to rake that spot that you just played from, provided the raking does not improve your lie, area of intended stance or swing or line of play for your next shot.

Once you do manage to hit your ball out of the bunker, no matter where it comes to rest, go ahead and smooth the sand in the bunker; there's no penalty.

Remember, use the index or the table of contents to find the correct Rule that applies to the situation and follow the Rules of Golf to help yourself to enjoy the game of golf.

Optional golf on Friday will also be played at Beau Rivage. Included in the registration cost is Saturday and Sunday golf, continental breakfasts on Saturday and Sunday, Friday night registration party and the dinner/dance on Saturday night.

CELEBRATING 18 YEARS OF SINGLES GOLF IN AMERICA

ASGA NATIONAL NEWS

AMERICAN SINGLES GOLF ASSOCIATION — FEBRUARY, 2011

Last Chance for Hawaii

Register Up Until Late February!

EVENT DATES: March 2-9, 2011

LOCATION: Fairmont Kea Lani, Maui, Hawaii

WHO CAN ATTEND: Any ASGA Member

Sometimes opportunities present themselves and you have to act - - quickly. This happened recently when we started probing hotel rates in Hawaii for a wintertime event. (Yes, even at 80 degrees, they still call it winter!)

So without a lot of notice, we've presented our membership with an upcoming event that is sure to woo. Three rounds of golf at Wailea (site of past years' Wendy's Skin Games), seven nights at the beautiful Fairmont Kea Lani and eight food functions.

Over 20 members have signed-up already and we'll continue to register members all the way up until late February. We scheduled the event to begin on a Wednesday (March 2) and end on a Wednesday (March 9) as we found airlines were more likely to allow us to use our points and miles.

There is a registration form attached with this newsletter and all details, updates, etc. are at the event website:

www.SinglesGolf.com/Hawaii

You can save money by rooming with a friend. If you don't know anyone who's attending, we can possibly pair you with a same-sex roommate subject to availability. Deposit info is on the site along with a daily itinerary and excursion info.

Wilmington's Beach Blast

Our Wilmington, NC chapter is hosting their Beach Blast multi-chapter golf weekend, April 2-4. Wilmington's done a great job hosting the "Winter Chill" events over the years, now it's time to head to the Carolinas for some beautiful springtime golf. Enjoy new friends and renew old acquaintances playing Masonboro Country Club on Saturday and Beau Rivage on Sunday. And, of course, there's good food and great fun to be had by all.

Updating Your Phone, Address Online is Easy!

If the information we have on file for you has changed, i.e. your handicap, your home phone, address, etc., or you want to add your cell phone to your roster, you can do all that yourself by going to the homepage at www.SinglesGolf.com

We're a volunteer organization but please don't rely on others in your chapter to update your personal info. Do it online!

Newsletters Going Green: You Must Act Now!

For about 18 years now, the national office has been printing news-letters for local chapters and mailing them via "snail mail." However, for the past two years, we've worked out the kinks on getting your news-letter to you via e-mail. Advantage: you get your newsletter 3-6 days earlier than through snail mail.

Therefore, effective with the March, 2011 newsletters, every member who has an e-mail address on file with the national office will be sent an electronic newsletter UNLESS you OPT-IN for a printed newsletter. Members joining or renewing after January 1, 2011 will automatically receive e-newsletters unless they opt-in for a printed newsletter. If you choose a printed newsletter, you will not receive the electronic newsletter any longer. **Details at SinglesGolf.com/newsletters**

Free Dues Thru March 31

Want to give a friend a "free sample" of ASGA membership? Unless your chapter has opted-out of this offer, get info on how this works at www.SinglesGolf.com/FreeDuesUntilMarch31 and get the details. Hopefully, when golf season kicks-off (for those of us north of southern Florida, these folks will be impressed enough and will join our Association for good!
