Thank You

I remember as a child my mother always telling me to write "thank you" letters for the presents given to me at Christmas or on my birthday, and how I disliked doing so! I think now, how ungrateful I was, when my Aunts had taken the time to choose, wrap and give me a present. I'm sure that if there had been no presents I would have been very disappointed!

It is when I am driving about that I see kindness and selfishness. Some drivers giving way, letting people out of junctions when the traffic is busy, others driving on as though nothing matters except them. Perhaps it is as we get older that we say our thanks. I notice that when I'm walking my dog along Ringstead Road, beyond the point where there is no footpath; when a car comes by and my dog and I get on the grass verge, many will put up their hand in thanks, but it is usually the older generation. Some drivers do not even look, sometimes blasting their horns at us.

So are parents today encouraging their children to say "Thank You"? Letters are not always necessary, but of course so nice to receive! But a phone call, text or email will give a smile to the receiver; just as long as we remember to do it! Great Addington School children are taught good manners and may this excellent example continue.

Today do we say Thank You often enough? Our friends, family and sometimes strangers go out of their way to be helpful and show that they care. At home it lets us show love and gratefulness for all that is done for us. Things like producing a meal, washing up, making our beds or tidying our rooms! Lets us remember to say Thank You, mummy or daddy for our tea, for washing our clothes, for driving us to see our friends.

Perhaps now I could say Thank You a few times. Thank you for all those who support

our church, Thank you for those who do cleaning, coffee making, reading, giving out books, preaching the word, making music, leading Sunday School, just being there! Oh I nearly forgot the bell ringers! It is good that we know that "where two or three are gathered together, I am there with you." Thanks are also due to everyone who serves the village community, School Governors, village hall committee, Parish Councillors and supporters of the Hare and Hounds plus many others.

So we go to church to say "Thank You" to God, for giving us the gift of love, giving us the gift of being grateful, giving us the gift of the Holy Spirit, who is our comforter and guider and especially giving us the gift of His Son who is our teacher, inspirer and saviour.

Thank You
Ted Loveday

St Mary's Woodford Social Committee

St Mary's Annual Christmas Market was held this year on the same day as the Jubilee Committee's Fayre to see if jointly we could attract more visitors to our village. We raised a grand total of **£769.50**. A list of winners of prizes is listed at the Club on the Church notice board.

Thank You

The Churchwardens would like to thank all who have cleaned and decorated St Mary's Church Little Addington this Christmas, and to all who have supported the events.

Christmas Services

Carol Services held in Little Addington, Great Addington, Woodford and Irthlingborough churches were enjoyed by many.

Christingle Services took place in Woodford, Great Addington and Irthlingborough as usual, each contained that magical moment when - with church lighting dimmed - our young people held their lighted Christingles and sang Away in a Manger - not many dry eyes in the congregations! A special thank you to everyone who helped assemble all the Christingles - I know how long it takes.

Midnight Communion services were held in Great Addington, Woodford and Irthlingborough, and a full complement of services took place on Christmas Day.

Thank you to everyone who contributed in any way to the success of these services, especially remembering our church organists. Thanks also to all who contributed to making our churches look so wonderful over the Christmas sea-

son.

Grateful thanks, Rev'd. Pauline.

competed for the highly coveted trophy. Questions covered a range of topics from Northamptonshire to Christmas, and music to general knowledge.

Also competing were Black Saturdays (103 points), Woodford Wonders (102), Red Wine Warriors (99), Famous Five (2) (87 points), Ballistic Bananas (86), Fellbow (the smallest team with two members,

Everyone thoroughly enjoyed an evening of cheese, wine, beer and head scratching which raised a superb total of £448 for 1st Woodford Scout funds. Very many thanks to everyone who supported this annual event.

Great Addington Primary School

As I write this in December, ahead of our Christmas celebrations, Nativity performances and Carol Service, I wish all readers a Very Happy New Year from everyone at Great Addington CE Primary School.

Decoration Day was a great success, joined by nearly fifty parents, grandparents, aunts and uncles to decorate the School and it certainly looked a wonderful, magical place. This was soon followed by our Christmas Fair which was full of stalls and side-shows and raised a total of £705. Father Christmas paid us a visit and left his reindeer in our newly constructed outdoor shelter.

Christmas aside, Rockingham Class recently enjoyed a day out to St Albans Verulamium Museum, Deene Class had an action-packed day at West Lodge Rural Centre and Lamport Class increased their knowledge of World War II with their visit to the Duxford Imperial War Museum.

The Addingtons Ladies Group

In December we celebrated the end of an excellent year with a very enjoyable Christmas Dinner at The Courtyard Hotel, and now look forward to our 2015 programme which includes a varied selection of speakers and events. Our **January meeting is on Tues 13th** and will include the AGM, followed by a Team Quiz with refreshments including wine & nibbles. At the **February meeting on Tues 10th**, our speaker will be Prudence Goss with a talk entitled 'An Evening of Laughter'. Anyone interested in coming along would be most welcome. Visitors £2 including tea/coffee.

Meetings are held in the Memorial Hall, Gt Addington on the 2nd Tuesday of the month at 7.30 pm. For further details contact Beryl on 01832 731998.

We are sad to say goodbye to our Lilford Teacher, Karen Bolton who has been with us for eight years and in that time revolutionized reading and writing throughout the School – we wish her well on her promotion. We welcome Jemma Waters who will look after Lilford until the summer.

This month saw the visitation of Inspectors from the Church of England who undertook our statutory Section 48 Inspection. They

took part in worship, observed R.E. Lessons and talked to parents, children, Governors and staff, as well as scrutinizing our plans, pupil work-books and monitoring documents. We await the final report, but I can tell you that everyone in School has marvellous smiles on their faces. We started our year on a good note with Ofsted and we finished it on an even higher note with the Church of England!!

I will bring you full details of the report next month.

Thank you from Woodford Jubilee Committee Woodford Christmas Fayre

We were blessed with a bright, sunny and most importantly dry day, enjoying wonderful Christmas music played by the Thrapston Town band. We would like to thank all of you for joining us and supporting the event. Special thanks to the householders around the green who will have lights on throughout the Christmas period, to Paul Bird who has donated the wonderful tree (home-grown) and Tony (landlord @ Dukes Arms) who keeps the tree lights on. The village will sparkle throughout the festive period and our gratitude to Rev. Ruth and 'Father Christmas' for turning on the tree lights. Christmas Raffle winners will be contacted individually and a 'Winners' list can be found on the Woodford website. The village

sign was on display at the Fayre and we received many positive comments about its design. We hope that the plinth will be built on the village green within the next few months so that it can be erected to its full height. Funds raised at the event will be used to support future plans to enhance / improve the village. We will notify you of plans for how monies will be spent.

Victim Support Northamptonshire

Victim Support is the only national charity dedicated to helping people cope with the effects of crime. Staff and trained volunteer workers provide a free and confidential service to the victims of crime, their family, friends and anyone else who is affected. Information, emotional support and practical help are available for as

long as it takes for the victim(s) to feel able to cope on their own. To continue to provide this valuable service, Victim Support needs regular sources of funding and so if you would like more information and/or to make a donation, please visit the website at <https://www.victimsupport.org.uk/what-we-do/local-services/east-midlands/northamptonshire>

Free tree packs for communities

During the past three years nearly 300 free tree packs have been sent out to communities across Northamptonshire as part of a scheme run by the County Council with the Woodland Trust. In conjunction with a parallel project for schools and farmers, this partnership has resulted in 80,000 trees and hedging plants being planted each year in the County since 2011. Building on the success of this scheme, the County Council is continuing to work with the Woodland Trust to provide free tree packs to local communities for planting in March 2015. Planting trees enables communities to reduce carbon emissions and become more resilient to climate change. Packs range in size from 30 to 420 trees which are ideal for planting either in small copses or as a hedge. The trees supplied are young saplings about 20 - 40 cm high and come with guards and stakes. Applications for free tree packs

must be received by Wednesday 7th January 2015. For more information, please visit the Woodland Trust website at <https://www.woodlandtrust.org.uk/plant-trees/in-your-community>

Date of the next meeting

The next meeting of the Council will be held in the Memorial Hall, Great Addington on Wednesday 21st January 2015 at 7.45 pm. and the agenda will be available (on the website and the notice board) 3 clear days before this date. Members of the public/press are welcome to attend.
