PROGRAM PLANNING GUIDE 2015 - 2016

Occupational Therapist Assistant / Physical Therapist Assistant Diploma (On-site Program)

The purpose of this program planning guide is to help students track their progress within their chosen program. The information in this planning guide is accurate at the time of printing and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choice. Students should use the program planning guide dated the year in which they began the program. This guide should be used in conjunction with the official (print) version of the Medicine Hat College Calendar, and calendars of appropriate transfer institutions, which are the final authorities regarding program requirements.

Program Notes:

- You must adhere to the professional commitment as outlined in the Therapist Assistant Programs Student Handbook. Failure to do so may result in dismissal from the program.
- You must complete the program within five years of registration in TAPC 110.
- All OCTA, OPTA, PHTA, TAPC, KNES, and IDST 100 courses must be completed with grades of C or better.**
- You must earn a grade of at least C- in all other courses.
- In order to be able to continue in the program, a current and cumulative grade point average of at least 2.0 is required at the end of each semester.
- Students should expect to complete at least one fieldwork placement out of Medicine Hat.
- Attendance in all courses is considered essential.
- You will usually be permitted to repeat a particular Therapist Assistant course (OCTA, OPTA, PHTA, TAPC) only once.
- You are normally expected to complete courses in the sequence outlined in the calendar. Courses taken in a sequence other than what is outlined in the calendar [including deferring courses into other terms] may compromise your standing in the program as lab and field work planning is done in advance of courses starting.
