## The Circulation Booster V3

This amazing machine will help your circulation issues by sending tiny electrical impulses through the soles of your feet to stimulate muscle contraction and improve blood circulation in your legs. Perfect for heavy and swollen legs but also for joint pain and numbness.

Code	The Circulation Booster V3
80000106	CE medical 2a device

## Eggercizer Hand Therapy

The quirky eggercizer is excellent for doing your hand and arm exercises. Fun to use and attractive. It is ideal for reducing stress or to increase strength and flexibility in the hand. Also helps you strengthen your wrist and arm muscles if they have been weakened. The eggercizer range is colour coded to provide a progressive programme of strengthening and for you to chart your progress.

Code	Eggercizer Hand Therapy
80000511	Extra Soft Orange
80000512	Soft Green
80000513	Medium Blue
80000514	Firm Purple

## Handybar

Weighing less than 1lb this strong but simple device this strong but simple device assists in getting in and out of the car. The Handybar, with its soft grip, non-slip handle for extra comfort and super strong forged steel shaft, creates a safe, solid support handle where it is needed. Fits the majority of vehicles with the 'U' shaped striker. The handybar also incorporates a seat belt cutter and glass breaker to help leave the vehicle quickly and easily in the event of an accident.

Code	Handybar
80202173	

Maximum User Weight
