

Amateur Armstrong Hockey League
Kitchen Duty Form
2012 - 2013

As in the past, all players' parents, Amateur and High School, are required to work in the Belmont kitchen. The profit generated in the kitchen enables the league to offset some of the costs associated with its operations and lowers the fee that we charge to each player. If you don't wish to work in the kitchen a buy out is available. For the upcoming season the cost of the kitchen duty buy out will be **\$150** per team.

The fee for a single buy out will remain at \$30 per shift with a minimum of 72 hours advance notification. Any calls received with less than 72 hours notice, along with those who do not show up for their scheduled obligation, will be assessed \$50. Arrangements can always be made to switch with another player or advance notification can be given to the scheduler to be re-scheduled for another day. Please contact the Kitchen Scheduler if you have any questions.

Paid worker credit is \$10 per hour. This credit is for hours worked over and above your mandatory scheduled times.

Please turn this form in for EACH player that you have signaling your intention to participate or buy out.

THIS FEE MUST BE PAID IN FULL BY 9/1/12 or you will be scheduled for kitchen duty.

Player: _____

Team (s): _____

Please check the option that applies:

- I wish to **BUY OUT** - cost of \$150 per team
- I will **WORK** kitchen duty
- I would also like to be added to the substitute list and will work **EXTRA** kitchen duty for credit
