## Declaración sobre la Aprobación del Proyecto de Ley ABx2-15 sobre el Suicidio Asistido por un Médico

"Para sus promotores, el proyecto ABX2-15 tiene el objetivo de brindar compasión y el poder de elegir," dijo el director ejecutivo de la Conferencia Católica de California, Edward "Ned" Dolejsi. "¿Dónde está la compasión cuando el Medi-Cal no paga para aliviar el dolor pero la Legislatura responde haciendo que el suicidio asistido por un médico sea algo 'asequible'? ¿Dónde está la compasión cuando la Legislatura toma medidas meticulosas para proteger a los médicos de las sanciones legales pero no requiere una evaluación realizada por un profesional de la salud mental acreditado antes de dar una prescripción mortífera?"

## SO MANY WAYS WE CAN HELP STOP ASSISTED SUICIDE

### URGE GOVERNOR BROWN TO VETO ABx2-15.

After failing to legalize physician-assisted suicide legislation through the usual legislative process, supporters pushed through a similar bill during a special session that should have been a discussion of health care costs. Instead, the only discussion of costs focused on the fact that the lethal overdose prescribed by a doctor would be less expensive than continuing care. And, amazingly, the bill hides even more information than the original failed bill.

ABx2-15 Physician-Assisted Suicide (Eggman, D-Stockton) does not protect the patient. It does not provide for adequate end-of-life treatment options. It sends the impression that suicide, to save money, is an acceptable option. (California Catholic Conference)

### HERE ARE SOME WAYS TO HELP:

**1. Get out the Word.** Talk to, write to, message, Facebook every like-minded person you know, ESPECIALLY CALIFORNIA RESIDENTS, and ask them to do likewise.

**2. Telephone Governor Jerry Brown's office at 916-445-2841.**

Say something short like "For old, ill, and disabled people, please veto the assisted suicide bill." Or say "For misdiagnosed people." Or people without insurance. Suicidal people. Young bullied people. People of color. People abused by family and caregivers. Intellectually disabled people. Autistic people. Native people. Immigrants. Newly injured people.

**3. Email Governor Jerry Brown** with an easy form at: [www.catholic.org](http://www.catholic.org)

**4. Tweet Governor Brown @JerryBrownGOV** sample tweets are: #AssistedSuicide #BlanketImmunity

**5. Write a Letter or Send a Fax**

Governor Jerry Brown  
 c/o State Capitol, Suite 1173  
 Sacramento, CA 95814

Fax: (916) 558-3160

Remember, every single thing you do to get the message to Governor Brown will be crucial to our victory. Do what is most comfortable!
