Dear FName:

The Bonita Springs Assistance Office has been providing a hand up, not a hand out to individuals and families in need for the past 35 years. When a catastrophic expense or job lay-off occurs and a hard-working family is left without the ability to pay their bills, we step in and stop the free-fall to despair by providing assistance with food, utilities, rent, emergency dental care, even school clothes to our neighbors in need. Whether it's the secretary at your doctor's office, the friendly face at the check-out counter, your employee, or your child's teacher... your donation is an investment in Bonita Springs and its families.

When your business invests in Bonita Springs Assistance Office **your dollars stay right here in your community**... the community where you live, run your business, and raise your children. This Annual Campaign funds the programs we offer and assistance we provide. Please join us in alleviating hardship for the families in Bonita Springs by making an annual commitment to help. When local business becomes involved, communities can rise above challenges that hold us back. By assisting those in need, we create stronger citizens who can again become engaged, productive members of our society.

Please do not let this appeal letter sit. Your neighbors in your community need your help now. You can rest assured your tax-deductable investment will be put to the greatest good possible.

Thank you,

Lori Nelson  
Chairman
