WHAT IS A WEBINAR?

A webinar is an online seminar featuring live audio and PowerPoint slides. Everything is delivered through your PC. No special hardware is needed - speakers or headphones are required. The program consists of 90 minutes instruction and 30 minutes live Q&A. Each webinar registration provides 1 connection to the webinar, materials and access to the On-Demand Webinar for 30 days after the broadcast. You may have unlimited listeners on your connection by PC. You will receive a PIN, materials and instructions prior to the seminar. If you do not receive a confirmation at least 2 days prior to the event call 888-262-7701.

Transmission, retransmission or republishing of the audio portion of the seminar is prohibited. Your registration entitles you to 1 connection at 1 location with permission to copy materials for participants. Complete one registration per location.
