May 30	Memorial Day Observed – Schools and Offices Closed	
May 31	Variety Show Auditions – Cafeteria	3:30 pm to 4:30 pm

April 5, 2016

Happy Spring to everyone! Third quarter report cards will go home **April 21st**. Please log on to BCPS One and review your child's progress. Encourage them to finish the year strong! There is still a lot of learning to be done, so this is a great time to talk to your child about staying on task, completing homework and class work assignments, and working hard every day.

STREAM Night is right around the corner! We look forward to seeing all of our families on April 19th for this special event. There are AP Science students from Dulaney High School who will be helping judge projects. We are excited to see the final products that our 4th and 5th graders have been working so hard to complete. They have worked hard to generate questions, form hypotheses, develop procedures, complete experiments, and present their findings in data tables and graphs. It will be great to read their conclusions and any additional questions they have generated now that their projects are complete. This year, staff members have been working to plan a very special night that will engage students Prek-5 and their families. The evening will combine Science, Technology, Reading, Engineering, Art, and Math. Please mark your calendars and plan to join us for this exciting event!

Warren's PTA is hard at work getting the **"Race for Education"** underway. Our "Race" is Wednesday, May 4th. This is a terrific opportunity for our kids to be active while raising money to support Warren's PTA. The funds raised will help the PTA support students in so many ways – agendas, assemblies, 100 Book Challenge resources, cultural arts, and much more. As a school our goal is to raise \$10,000. If we reach our goal, Mr. Barnett and Mrs. O'Neill will dress as Anna and Elsa for a day.

April 27th is Administrative Professionals Day and we

are very fortunate to have two of the best administrative assistants in Baltimore County! Special thanks to Mrs. Mavrophilipos and Mrs. Warner for the wonderful job they do every day. If you appreciate their friendly support, let them know!!

Jason Barnett
Principal

News from the PTA

Hello Warren Families,
Thank you for coming to McTeacher night at McDonalds. It was so fun to see Mrs. Thompson, Mr. Barnett, Mrs. Hays and "Cubby" as well as so many others participating in this worthwhile event. Please join us for Breakfast Theater on Saturday April 23 at 9:30 am. Flyers will be coming home with information. The Race for Ed is Wednesday, May 4th, extra fliers are available in the office and the rain date is May 11. Teacher Appreciation Week is May 2nd through the 6th. Please show our amazing teachers your love. The next PTA meeting is Tuesday, April 12 at 7:30 pm.

Kitty Fowler, PTA President

Counselor's Corner

Career Day at Warren Elementary

On April 7th, 4th and 5th graders will participate in a Career Speakers Series here at our school. We are excited to welcome many different speakers to share information about their careers. Speakers will bring real world experiences to our students to help them see the diversity of opportunities in today's job market. Students have been investigating career clusters this year in classroom guidance lessons. Soon we will be matching possible clusters to their likes and dislikes. Research shows that it is important for students at the elementary school age to be exposed to the many career possibilities, as well as to begin

understanding their own areas of interest. Without exploration, students tend to limit themselves to careers they are familiar with, whether or not it is a fit. Additionally, students often feel a greater connection to learning when they understand how it can impact their future possibilities.

During that week, Kindergarten, 1st grade, 2nd grade and 3rd grade teachers are inviting parents into their classrooms to discuss their careers with the students. Please contact your child's teacher if you would be interested in speaking to your child's class during career week.

We are also emphasizing the importance of college and career training while we are exploring jobs and the future. Please discuss your jobs and your college experience with your children. It will make them more enthusiastic about education and the link to their dreams and futures.

Ask your child what they learned at Career Day, and share with them what you think is important to consider when choosing careers. Thank you as always for your support!!

Character Trait of the Month – Respect

Many people, including all of us at Warren Elementary, define the term **respect** in a very simple way. We believe respect means treating others as you want to be treated. Even our youngest children understand this idea. However, this is the time of year when energy levels tend to soar and children, and sometimes even adults, do not always take the time and care to be certain that their actions are doing no emotional or physical harm to others.

Someone who is respectful cares about other people's feelings and property. A person who is respectful cares about other people, not just his or her own concerns. At the same time, it is absolutely necessary for a person to have self-respect and self-esteem in order to show respect for others. This month we will be focusing on helping children to value their own feelings and property, their bodies and their space which includes

their desks, lockers, classrooms and the cafeteria and hallways in our school, and the feelings and property and personal space of others. This will help us to get along as the weather gets warmer and things get more exciting and fun.

Students and adults who are respectful follow rules and directions, and this helps them to be successful in work, school, with friends, in sports and in all aspects of life. Respectful students do not talk back or call out when teachers or parents are speaking to them. This helps them to learn and be successful. This quality of listening is extremely important in friendships and getting along with others as well. It is very sad when children do not have friends. It can be extremely frustrating and lonely for a child, who has troubles with friendships throughout life, because he or she has never understood the importance of listening to the other person.

Let's work together to help our children be as successful as they can be at Warren Elementary and throughout life by teaching respect and modeling this character trait in all that we do this month and every month.

Music Notes from Ms. Anderson

Fifth graders are working on their upcoming Spring concert on May 17th. They are working on selected choral pieces and also songs from the Broadway musical, "The Lion King". A group of Fifth graders also initiated an after-school Glee Club. We have been working once a week after school. We are hoping that they can perform at the spring concert.

Congratulations to Elijah Drumgold, Eva Hawkins, Darryl McNair, and Jessica Walburn-Blake. They will be representing Warren at the All County Choral Festival on April 23rd at Perry Hall High School. They have been working with me during their recess time to learn the music! The performance is at 2pm and open to the public at no charge.

Second graders are working on their performance of a musical fable called "The Beetle's Coat". All students will have speaking parts, singing parts, and costumes! We will be presenting this on May 24th. I am looking for any 2nd grade parents who would like to help. Please email me at danderson2@bcps.org.

Third and fourth graders have been playing recorders. They are working on quality of sound, reading from the staff, and developing playing skills and a repertoire of songs. The fourth graders will perform at the volunteer brunch at the end of the school year.

First graders are working on a musical play called "Flutterby". They learn songs, acting parts, movements and have an ongoing "performance" in class.

Kindergartners continue to work on their musical skills of pitch awareness, and rhythm through music games and movement. They also work through imaginative play connected to music skills.

There are a number of Children's Choirs in the Baltimore area. This is the time of year when they are looking for new members. There is the Peabody Children's Chorus, The Children's Chorus of Maryland and the Maryland State Boys choir. If any students are interested in auditioning, please tell them to see Ms. Anderson for more information.

Mrs. Anderson
Music Teacher

STREAM Night

1st Annual Warren Elementary STREAM Night!

The biggest night in Warren Elementary School history is coming!!!! Will you be there? Mark your calendars now... Tuesday, April 19th from 5:30-7:30. Please join us, it's going to be a great evening for our Warren students to show off all of the terrific things that they have been working on at school. Please see the attached flier for details.

Mrs. Seitz and Mr. Dager

Irvine's Eco Explorer Club

On April 12 Irvine's Eco Explorer Club will start another 6 week session at Warren Elementary from 3:20 to 4:20 pm each Tuesday afternoon.. If you are interested in signing your child up for this very popular series please contact Kimberly by e-mail at GodackK@ExploreNature.org or call 443-738-9220. You may register at <http://bit.do/IrvineEcoExplorers>. Irvine's Eco Explorer Club offers an enriching opportunity for kids to be active outdoors, discover nature and continue learning long after the school bell rings. With activities such as live animal encounters, science experiments, nature crafts and exploring the outdoors, your child will engage all their senses and establish a valuable connection with the natural world. The cost is \$72.00 for 6 sessions.

Chess Club

The Warren Chess Team is gearing up to enter the Baltimore County Chess Tournament which will be held on April 9th at Cockeysville Middle School. Five of our Chess Masters, Ashel Gerald, Tim Nam, Carlos Perez, Rodrick Sanga, and Kobe Wilson (alternate to Malik Alves Ray), will be representing Warren Elementary School in the tournament. Please wish our team members luck as they take on other school players of this proud and ancient sport of strategy and mental agility. This event is a test of their skill, stamina, and intellect and we know they will represent us well! No matter the end results, these Warren team members are our winners and champions! GO TEAM WARREN!!!

Mrs. Patricia Hutsell
Chess Coach and 4th grade teacher

News from the Library

Stock up for Summer Reading at the Spring Book Fair on April 18-21st this year. This is a BOGO event – buy one book, get one free. In addition, the PTA is purchasing one book for each student that they may select. Students will come to the book fair during their regular library time each week. A schedule will come home after the break to confirm the date and time. The family shop for our Book Fair will be Tuesday evening April 19 from 5:30 – 7:30 p.m. during the STREAM night. Details about STREAM night are in this newsletter.

If you would like to volunteer during the book fair, please contact me at mfoltz@bcps.org to let me know which dates and times you are available.

Just a reminder to all parents - Students are expected to check out books as part of their participation grade in class. Please make sure your kids are bringing home books each week. Do not hesitate to contact me with any questions or concerns.

Our Black Eyed Susan Club will meet on April 13th to select their favorite book from the ones we have read this year. The BCPL will come and facilitate a battle of the books. Team members and alternates have already been chosen. Wish them luck!

Please see the attached **Book Fair Schedule**.

Mrs. Foltz

Library/Media Specialist

Instrumental Music Notes

It is an exciting time for the 5th grade band and orchestra! We have begun work on our spring concert repertoire. In addition to our 5th grade spring concert on Tuesday, May 17th, the band and orchestra will also be participating in the **13th Annual Cockeysville Area Music Festivals** which will be held in Dulaney High School's auditorium. This is a two night event with a designated **Band Night** on Monday, May 2nd and an **Orchestra Night** on Tuesday, May 3rd. More information on these concerts will follow soon. As we begin our performance preparations, please continue

to encourage your child to practice their instrument at least 60 minutes a week.

Rock On.

Mr. Alex Mueller

Instrumental Music Teacher

Warren Elementary School

Health Suite News

HEAD LICE

Since **head lice** is a common occurrence, especially in elementary school, it is a good practice to examine your child's head weekly to make sure he/she does not have head lice. The following signs indicate that the condition **may** be present.

- Persistent itching of the scalp
- An insect about 1/8 inch long in the hair, usually found underneath the top layer of hair
- Tan or white nits (eggs) approximately the size of a flake of dandruff and firmly attached to the hair shaft.

Please remind students not to share hats, combs, brushes, and hair ornaments or sports helmets. It is also a good idea for students with long hair to keep it tied back or braided to minimize the chance of exposure. The School Nurse should be notified if your child has pediculosis.

CPR Class

Please review the attached flier regarding a CPR class on April 27, 2016 that will be held at Warren Elementary.

Maureen Nee, School Nurse

Computer Science Summer Program

Parents and Guardians,
Thank you for expressing an interest in our Computer Science Summer Program again this year. In previous years, we were known as the MSDE Summer Center for Computer Science and Creativity for GT students. However, there have been a few changes over the winter that I would like to bring to your attention. We are no longer considered an MSDE Summer Center for Gifted and Talented. We are completely run through the partnership of Baltimore County Public Schools, Northrop Grumman, and CCBC-Essex. What that means for you is:

1. Our name has changed slightly. We are now called BCPS Summer Camp for Computer Science and Innovation.
2. ALL students entering grades 3-8 can apply (not just those identified as Gifted and Talented).
3. We are hopeful that we will be able to incorporate a few more activities such as using a 3D printer, robotics, etc.
4. Hopefully (if I did it correctly), it also means that the application process has been simplified! I am attaching a link to the Google Docs form that we created as our application. It is titled: BCPS Summer Camp for Computer Science and Innovation.

https://docs.google.com/forms/d/1dF9oNBaB_tVXTdc_d4cFsdTfmaEt3TR-8RWwexHKyY2c/edit?usp=docs_home&ths=true

The application window closes on **April 4th** and accepted participants will be contacted during the first two weeks in April.

We are still delivering the highest quality of program to your child and hope that you will consider applying again this year! I have attached an informational flyer that will address most questions that you may have concerning the location (the same), tuition (very slight increase), scholarship opportunities (still exist), etc. If you have any questions, please feel free to contact me directly. Thanks and have a fantastic day!

Karena (Kari) Curtis

Starlab Resource Teacher/BCPS Office of Elementary Science BCPS

Director of BCPS Computer Science and Innovation Camp

New Phone #443-809-9601

Fax #410-296-2945

Habit 4

Think Win-Win
Students that Think Win- Win want everyone to be a success. When presented with a problem, they think of a way to solve it so that everyone is happy. Take a moment to talk with your child about how thinking win-win can help make a difference at home, at school and in the community.

The One and Only Ivan

Students participated in a trivia challenge and have discussed *The One and Only Ivan* on Edmodo (bcps.edmodo.com) with each other, friends and teachers. We hope your family enjoyed the book and time spent reading together. One student was particularly excited when she found out she had won the Ivan backpack that was part of our celebration of reading.

Hayden Imbriale wins the "Ivan" Backpack

Pre-Kindergarten Screening & KQ

Registration 2016-2017 School Year

Screening for the Pre-kindergarten classes will be held on Friday, April 29, 2016. A separate flyer is attached to this newsletter to identify those children interested in the half-day Pre-kindergarten program for the 2016-2017 school year. Please note that pre-kindergarten is not mandatory in the state of

Maryland and students are placed in our Pre-K program based on an eligibility criteria.

Do you have a child or know of a child living in the Warren Elementary School district who will be five (5) by September 1, 2016? If the answer is yes, then that child needs to be registered for kindergarten for the upcoming school year.

Kindergarten registration will be held at Warren Elementary on Friday, April 22, 2016. Please see the attached PreK and KG flyers and fill out the tear-off and return it to school as soon as possible. Packets will be mailed out in April providing additional

information, including a specific time for you and your child to come for registration. In addition, please use this form if you need to register a child who will be attending Warren for the first time in the fall; i.e., a first grader coming from a private kindergarten program.

IMPORTANT: The children currently in the Warren Elementary Pre- kindergarten class for this school year (2015-2016) will automatically be registered for kindergarten for the 2016-2017 school year if Warren is their home school. If Warren Elementary is not your child's home school, please contact your home school for kindergarten information. It is not necessary to fill out this information. If you have any questions, please contact the school office at 410-887-7665.

WARREN'S MISSION

To empower leaders to have the knowledge and strategies to be innovative thinkers, creative problem solvers, effective communicators, and caring citizens.

OUR VISION

To be a learner-centered community where responsible leaders are inspired to innovate and communicate through collaborative, caring relationships and authentic, challenging experiences.

NORTHROP GRUMMAN

Computer Science and Innovation Camp

KARENA CURTIS

Director of Computer Science and Innovation Camp

kcurtis@bcps.org Phone: 410-887-2063

Fax: 410-296-2945

The Computer Science and Innovation Camp is supported by the BCPS Office of Science PreK-12 and the BCPS Office of Advanced Academics. Funding is provided for the program through student tuition and funding received from Northrop Grumman. Taught by two highly qualified BCPS high school teachers, this Summer Camp provides an outstanding opportunity for students around Maryland. Throughout the two week program, students will have opportunities to work independently and collaboratively to learn new ways to be creative through computer programming. Using the medium of computer languages, participants will become the architects of their own virtual worlds. Students will create animations using visual objects and straightforward commands that make programming easier to understand.

Students will exercise their creativity, problem solving, and critical thinking skills while designing a final project to present at the conclusion of the session. The skills they develop provide a useful foundation for learning more advanced programming in languages such as SCRATCH, Java, C++, and/or Python. Students will also learn valuable processes essential to programming. These include everything from the software development cycle to "CamelCase". The program will also emphasize critical executive function skills such as project management, collaboration, and communication. *NEW THIS YEAR:* We are hoping to incorporate 3D printers and robotics into the program.

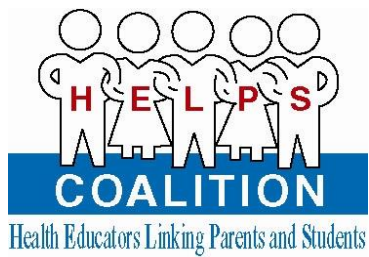

WHO: All Maryland students entering grades 3rd through 8th

WHERE: Essex Campus of CCBC, Rosedale, MD

WHEN: Plans are currently being finalized to hold the camp during July 11-22nd.

COST: Tuition for this year's summer center is expected to be \$200 for the two week session. Several financial scholarships will be available for qualifying applicants. (Transportation and lunches will not be provided.)

*The H.E.L.P.S. Coalition will be
sponsoring a
Heartsaver CPR AED
Class*

When: Wednesday April 27, 2016
Where: Warren Elementary
Time: 4:45 pm – 7:45 pm

Offered through the H.E.L.P.S. Coalition in conjunction with the guidelines of the American Heart Association.

Cost: \$30.00 BCPS employee
\$40.00 non-employee BCPS

Pre-registration is required as class size is limited. Register early!!

****Payment is due at the time of registration.*

****Participants must be able to demonstrate the skill in order to receive a CPR training card from the American Heart Association*

*For more information, or to register, contact
Maureen Nee RN 410-666-8376*

Warren Elementary School
Kindergarten Registration
2016-2017 School Year

Do you have a child or know of a child living in the Warren Elementary School district who will be five (5) by September 1, 2016? If the answer is yes, we are excited to invite your child to register for kindergarten for the upcoming school year! Kindergarten is mandatory in the state of Maryland.

Kindergarten registration will be held at Warren Elementary on **Friday, April 22, 2016**. Please fill out the tear-off below and return it to the school as soon as possible. Packets will be mailed in April providing additional information, including a specific time for you and your child to come for registration. In addition, please use this form if you need to register a child in any other grade who will be attending Warren for the first time in the fall.

Screening for the Pre-kindergarten class will be held on Friday, April 29th. A separate flyer will be sent home to identify those children who qualify for the half-day Pre-kindergarten program for the 2016-2017 school year. Pre-kindergarten is not a mandatory program in the state of Maryland.

IMPORTANT: *The children currently in the Warren Pre-kindergarten class for the 2015-2016 school year will automatically be registered for kindergarten for the 2016-2017 school year **if** Warren is their home school.* It is not necessary to fill out this additional registration information. If you have any questions, please contact the school office at 410-887-7665.

Primeria Feria Annual de las Ciencias (STREAM)

Por primera vez Warren Elementary está organizando una noche familiar de las ciencias. Este evento celebra:

S- Ciencia
T- Tecnología
R- Lectura
E- Ingeniería
A- Arte
M- Matemáticas

Qué: Los estudiantes de la escuela primaria de Warren y sus familias

Cuándo: Martes 19 de Abril de 2016 de 5:30-7:30 pm

Donde: Escuela primaria de Warren

Por qué: La feria de las ciencias proporciona los conocimientos educativos necesarios para una carrera universitaria. Tan pronto como sea posible, queremos que todos los estudiantes de Warren estén inmersos en las diferentes ramas de las ciencias.

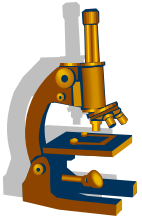

- Chick-fil-A será servido de cena entre las 5:30-6:30. Vea el reverso para información para ordenar su pedido. Las órdenes de comida deben ser regresadas para el día viernes, 15 de Abril de 2016. **No necesita pedir Chick-fil-A para asistir al evento!**
- Obras de arte de K-5 estarán en exhibición en la escuela.
- Venta de libros estará disponible en la biblioteca. Compre uno, y reciba uno gratis!
- Los proyectos de ciencia de cuarto y quinto grado estarán en exposición en el gimnasio, conjuntamente con los proyectos de autos de carrera de tercer grado.
- Actividades de ciencia estarán disponibles alrededor de la escuela para todos los estudiantes en los grados K-5.
- Los estudiantes también tendrán oportunidad de mostrar a los padres los diferentes trabajos y actividades que han creado en estas áreas.
- Los estudiantes tendrán oportunidad de ganar un premio por su participación.

¡Esperamos verte ahí!

Recuerde... Órdenes de Chick-fil-A deben ser enviadas con el pago al maestro de su hijo para el viernes 15 de Abril de 2016.

The First Annual Warren Elementary STREAM Family Night

For the first time ever, Warren Elementary is hosting a family STREAM night. This event celebrates:

S - Science
T - Technology
R - Reading
E - Engineering
A - Art
M - Math

Who: All Warren Elementary students and their families

When: Tuesday, April 19, 2016 from 5:30-7:30 PM

Where: Warren Elementary School

Why: *STREAM education equips our students with the building blocks necessary to be college and career ready. As early as possible, we want all Warren students to be immersed in the areas of STREAM.*

What:

- Chick-fil-A will be served for dinner from 5:30-6:30 PM. See reverse side for ordering information. Food orders are due by Friday, April 15, 2016. **You do not need to order Chick-fil-A to attend the event!**
- Artwork from K-5 will be on display throughout the school.
- A Book Fair will be available in the Library. Buy One, Get One Free!
- Fourth and fifth grade STEM Fair projects will be on display in the gym, along with third grade Safe Racer projects.
- STREAM activities will be available around the school for all students in grades K-5.
- Students will also have a chance to show parents all the different work and activities they have created in these areas.
- Students will have a chance to win a participation prize!

We hope to see you there!

Remember... Chick-fil-A orders are to be sent in with payment to your child's homeroom teacher by Friday, April 15, 2016.

Warren Book Fair Schedule April 18-21
