Triangle Archers range, clubhouse and practice area are maintained by the membership. We are a small club, low on finances and the members are required to do their share of the labor. Those that cannot attend Work Days may contribute funds in their absence.

We schedule our Field Tournaments (Paper Targets, Spots Shoots) and our 3D Schedule will be created in December – March. During tournaments, especially 3D shoots, everyone is needed to help set up the 3D animal course and then to store the 3D targets at the end of the day.
