

# BIRTHDAY BOOK CLUB

CELEBRATE YOUR CHILD'S BIRTHDAY AND HELP OUR LIBRARY GROW!

Honor your child's birthday with the donation of a Jewish book from Kar-Ben to your child's school library or classroom!

To support your school or classroom libraries with a book in honor of your child's birthday, complete this form and return it with a check for \$20.00, payable to the school, in an envelope marked "Birthday Book Club." You, the teacher or school librarian may select any book from Kar-Ben's online catalogue at [www.karben.com](http://www.karben.com) to be sent to the school in your child's honor. The book will be delivered to the school at the beginning of your child's birth month, along with a book plate with your child's name.

To participate, submit this form and payment to the school office by the middle of October so that we can have your child's book on hand for the big day. (July-September birthdays will all be celebrated with June book deliveries.)
