

Ellendale Public School

Prescription Medication Release Form

The dispensing of prescription drugs in the Ellendale Public School will occur only with the completion of this form and the guidelines provided. This is done to ensure the proper and safe administration, handling, and storage of all medication.

Guidelines

1. Prescription medication brought to school must be accompanied with an order by a physician (original container) and a completed prescription medication release form signed by the student's parent or guardian.
2. All prescriptions must be sent to school in the original container.
3. All prescription medication must be given to the building principal for handling. It cannot be kept in the student's possession.
