

Individual Membership Application

Individual membership is a single membership worth one vote during elections. Membership follows the member wherever the individual goes and is non-transferable from person to person. An MGA membership year begins January 1st and ends December 31st. One full year of annual dues is required upon joining MGA. Dues from the second year will be prorated based on the anniversary date of original enrollment in MGA. Second year dues are prorated for new members only, not for renewals.

Individual memberships are divided into two different categories. Please indicate which membership you would like by checking the appropriate box:
