

January, 2016

Congratulations on your acceptance to our Experienced Strings Program. Your audition and experience have qualified you to attend the WCI Strings Program. The Strings Program will provide an excellent opportunity for you to continue to develop the theory and performance skills that you will need to pursue your interest in your chosen string instrument. We look forward to being a part of your journey towards Excelsior here at WCI.

Please be aware of the following considerations if you choose to accept our offer of a Strings placement. If you are attending from outside of the WCI home school boundary, transportation will not be provided. We believe your experience will be positive and you will stay in the full program for 4 or even 5 years, however if you are attending from outside the WCI home school boundary there is a requirement that you will remain in the program for 2 full years. One of the hallmarks of the Waterloo Collegiate String Program is its outstanding extra-curricular String Orchestra program and we highly recommend you join this co-curricular group.

If you choose to join the WCI family and accept our offer for a position in the Strings Program, please complete the form below and submit it to the Guidance Administrative Assistant, Sharon Dotchin-Gravelle, by Feb. 05, 2016. Alternatively, you may communicate your acceptance in an email to sharon_dotchin-gravelle@wrdsb.on.ca by Feb. 05th.

Yes, I would like to accept the WCI Strings Program : _____ (please check)
