

## Handbook Signature Form—2010-2011

Dear Parent and Student:

Welcome back to another exciting school year. Part of our school year begins with the teaching of the student handbook. This helps students understand expectations that allow for smooth running of all school operations. As part of policy, we require each student to sign for a copy of the handbook. Parents are also asked to sign off indicating that they too have reviewed the handbook. Should you have questions about any part of the handbook, please contact Daniel Peters, High School Principal at 433-2330.

This signature form simply indicates that both student and parent have reviewed the handbook and understand all expectations and rules posted in the handbook.
