

Revitalize Your Relationship with the Lord and Empower Your Christian Experience!

Don't miss this Empowered Living Camp Meeting by seasoned authors and international speakers Jim and Sally Hohnberger. This year's theme: Come, Walk With Me!

Jim and Sally were young, educated, had a successful business, a beautiful home, expensive vehicles, and a great reptutation in the church. But underneath the veneer of success, Jim's life was busied, pushed, and stressed. His marriage was troubled, his Christian experience was superficial, and he didn't really know his children.

Convinced that the pursuit of the "American Dream" was robbing them of an authentic walk with God, the Hohnbergers sold everything and set off for the Montana wilderness in search of the "Enoch experience". What this family found forever changed their lives. And yours could be next!

If you are hungry for practical Christian living and desperate for God to do a new thing in your life, you're ready for what they have to say.

Must you sell everything and move to Montana in order to find what the Hohnbergers found? No. But as you take the experiences presented and make them your own, you will learn to walk in God's presence and develop a willingness to obey His voice no matter where you live. Through Jim and Sally's experience you will learn that less is more, how to make time for God and your family, and how to live every day, hour and moment to the glory of God.
