Discretionary sales surtax collections are distributed to local governments in Florida. Dealers should collect surtax on taxable sales at the rate imposed in the county where the merchandise or service is delivered. Surtax also applies to the rental of real property and transient rentals and is collected at the county surtax rate where the property is located. For motor vehicle and mobile home sales, use the surtax rate of the county identified as the residence address of the purchaser on the registration or title document.

Surtax applies to only the first \$5,000 of the sales amount on any item of tangible personal property. The \$5,000 surtax limitation does not apply to rentals or leases of real property or sales of: services, admissions, service warranties, or prepaid calling arrangements.
